

Geer Road & Whitmore Avenue

Intersection Improvements Project

Stanislaus County will begin work on the Geer Road and Whitmore Avenue Intersection Improvements Project in June. Construction will continue through October.

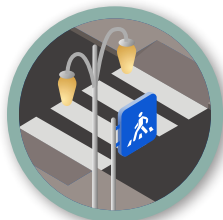

IMPROVEMENTS:

Widen roadways for turn lanes

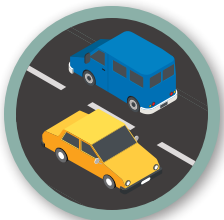

Install a signal at the intersection

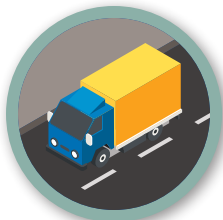

Install signs and street lighting

BENEFITS:

Improve traffic flow

Support regional economic development through goods movement

Enhance safety

Project Schedule

The majority of construction activities will take place Mondays through Fridays, from 7:00 am–5:00 pm.

What to Expect

During construction, both lanes of Geer Road and at least one on Whitmore Avenue will remain open at all times. Businesses, residents, and the traveling public may experience:

- Traffic delays
- Detours
- Lane closures
- Noise
