# LAKE ROAD

**HSIP-HR3 Cycle 5:**

**Projects: Lake Road, River Road, W. Main Street**

## About the Project

Lake Road is a 2-lane major collector that connects the community of Hickman to the community of LaGrange and provides access to Turlock Lake. The project road segment on Lake Road is from Lampley Road to Denton Road. The improvements include widening paved shoulders and installing rumble strips with new striping on both the centerline and edge lines.
