## OAKDALE-WATERFORD HIGHWAY OVER CLARIBEL LATERAL BRIDGE REPLACEMENT PROJECT

### About the Project

The project consists of replacing the existing structurally deficient 2-lane bridge on Oakdale-Waterford Highway over the Oakdale Irrigation District Claribel Lateral. The new bridge is scoped to provide new structure life to the crossing.

### Location:

Oakdale-Waterford Highway, 0.5 miles north of Claribel Road

Project No: 200010

### Project Benefits

- Traffic Safety
- Traffic Flow

### What to Expect During Construction

- Traffic Delays
- Bridge Closure
- Noise

### Hours

Monday - Friday  
 7:00 am - 5:00 pm

Questions?  
 (209) 525-4130

### Schedule

#### ESTIMATED START DATE

Fall 2025

#### ESTIMATED COMPLETION DATE

Spring 2026
