

**WEST MODESTO
SPENCER/MARSHALL
NEIGHBORHOOD
COUNTY AREA 7 - Phase 2
SEWER INFRASTRUCTURE PROJECT**

Project Manager
Sarah Collins
collinss@stancounty.com

Funding Source(S)
Federal Housing and Urban
Development Funds and
Community Development
Block Grant Funds

Project Cost
\$4,200,000

About the Project

The Spencer/Marshall Neighborhood is located in the West Modesto area, and it currently lacks sanitary sewer infrastructure that the surrounding cities have. The first phase of this project was completed in summer 2020 and the second phase will continue the installation of gravity sewer pipe, sewer service laterals for future connection, and a pavement restoration in the area.

Location:

Spencer/Marshall
Neighborhood in West
Modesto

Project No: 200013

Project Benefits

- Public Health
- Traffic Safety

What to Expect During Construction

- Traffic Delays
- Noise
