

# Stanislaus County Open Enrollment

## Coming to a Location Near You!

This year's Open Enrollment is designed to show you a more evolved health benefits program with a greater focus on employee health and wellness. This is the beginning of a new era for County health benefits. Sure, we'll make sure you get access to high-quality healthcare with the County's healthplans, but we're going to do a lot more to help you to FEEL BETTER!

Meet the folks who administer your health, dental, vision and other employee benefits!
