A copy of the tentative parcel/subdivision map is required. It can be in an electronic format or a paper copy. The Assessor prefers the electronic format as it reduces processing time.

Send electronic copies by email to: taxltr@stancounty.com using PDF format.

SELECT ONE: Electronic copy sent to Assessor Paper copy given to Tax Collector

I/We, the assessed owner(s), understand and agree to the following:

1. All currently due taxes must be paid prior to or at the time the parcel map is signed.
2. Estimated taxes are collected from December 1st until the next tax year's tax roll is set in order to pay the following year's taxes. If the estimate collected at the time the map is signed, is not sufficient to pay the **entire** tax bill/s, the balance will be paid upon notification.
3. If the parcel map is signed by the TTC office on or before November 30th, the map will be recorded before December 31st of this year.
4. If the parcel map is not recorded before December 31st of this year, a new application (with any associated fees) will be resubmitted to the Tax Collector for a new Tax Clearance.
5. If the parcel map is recorded on or after January 1st following the calendar year in which it was signed, the Certificate will be considered **INVALID** for recording purposes.
6. Any supplemental tax bills that are in progress but not yet issued are not covered by this clearance and will still be the responsibility of the assessee even after the property is sold.
7. If the property is sold immediately after the parcel map is recorded and the new parcel number(s) are assigned by the Assessor, the Tax Collector's Office will be contacted for any outstanding taxes due.
