

VOLUNTARY CONTRIBUTION POLICY

OAA315(b)(4)(A-E)

This Program is made possible by funding from the Older Americans Act, the generous support of volunteers, the Stanislaus County Board of Supervisors, and contributions from the community. We are also required to offer program recipients an opportunity to contribute toward the cost of the service.

Although every contribution helps us to serve seniors in our community, it is voluntary and there is no obligation to contribute. No one will be denied service due to the inability or unwillingness to contribute.

The Area Agency on Aging will protect the privacy and confidentiality of each recipient's contribution.
