- Purpose & Vision
- What is DMC ODS?/Timeline
- Benefits, Eligibility & Services
- Break
- Program Requirements
- Managed Care Requirements - BHRS
- State Responsibilities - DHCS
- Stakeholder Involvement
- Q & A / Adjourn

Purpose & Vision

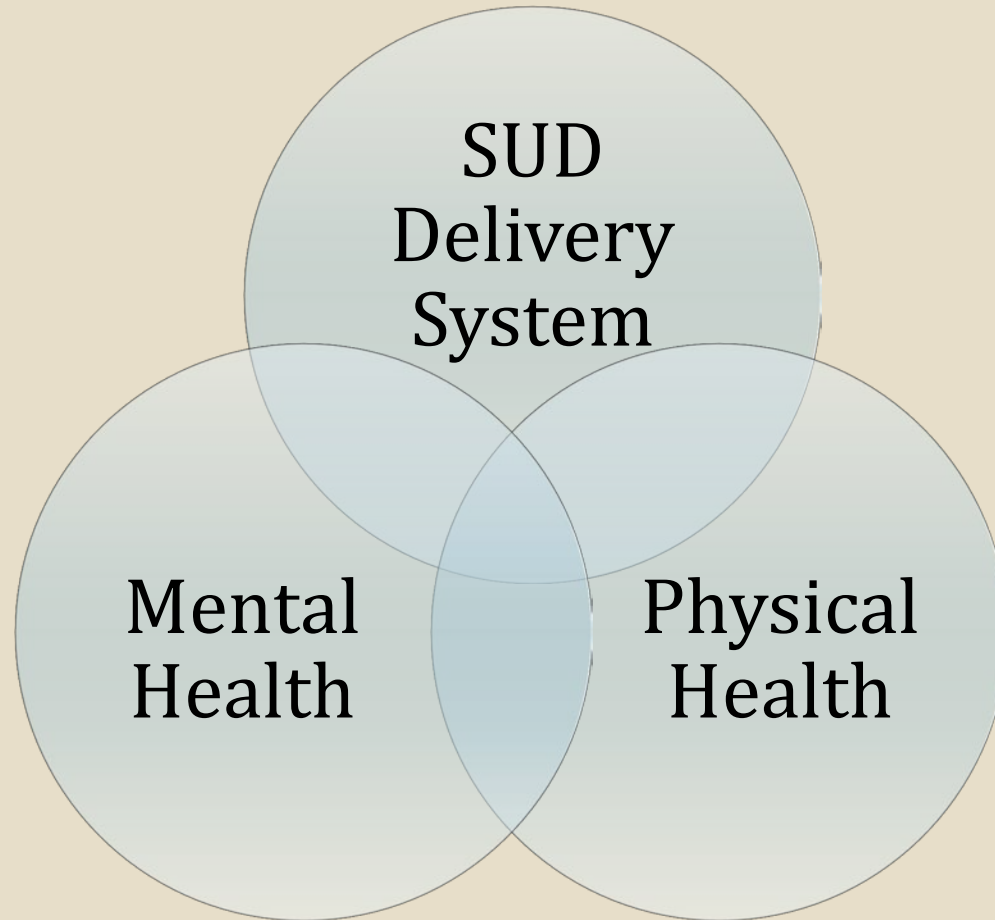

Develop a continuum of care that effectively treats multiple dimensions of substance use disorders, continues to professionalize our field through the use of evidence based practices and aligns with state/federal regulations.

SUD Continuum of Care Vision

Integrated Health Care Vision

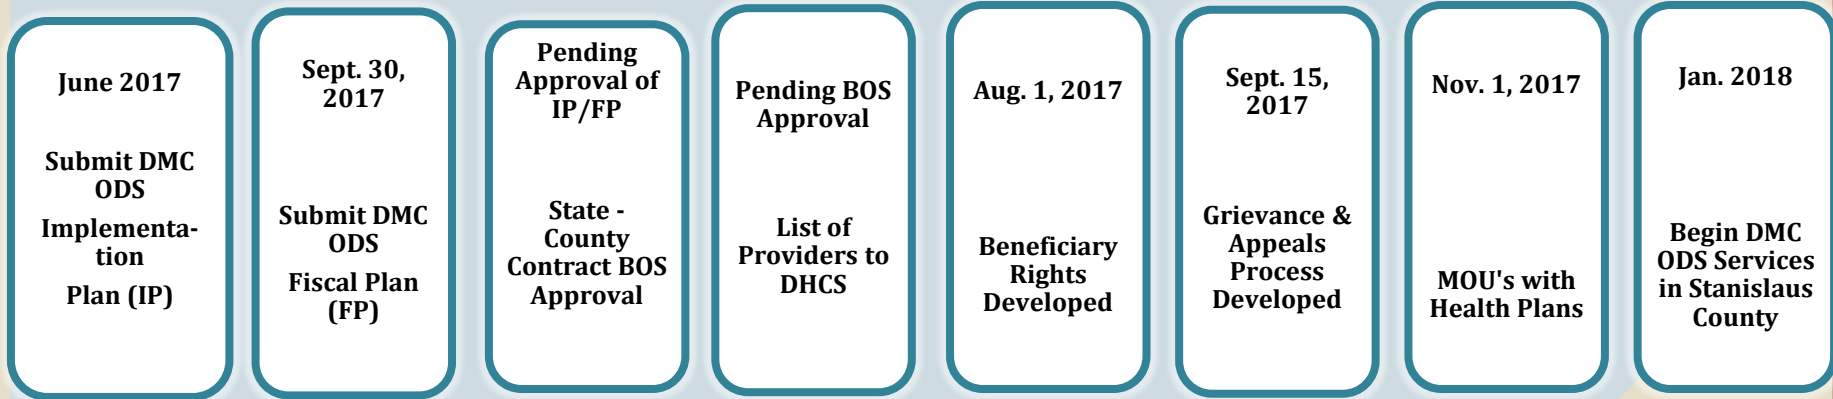

What the Heck is DMC ODS?

- Optional 5 Year Demonstration Project
 - Requires BOS approval
- Expansion of SUD Treatment Services
- Provides Delivery of Services in an Organized Way
- Demonstration Goals
 - Improves individual success
 - Decreases overall health care costs
 - Evaluation by UCLA

Timeline

Benefit of DMC ODS for Medi-Cal Beneficiaries

- Timeliness of Services
- Evidence Based, High Quality Services
- Full Array of SUD Services Modeled from ASAM
- Beneficiary Rights
- Coordination of Care
- Continuity of Care

Benefit of DMC ODS for Community

- Reduce Emergency Rooms and Hospital Inpatient Visits
- Ensure Access to SUD Services
- Increase Program Oversight and Integrity
- Place Client in the Least Restrictive Level of Care Utilizing ASAM Criteria

Benefits of DMS ODS for Service Providers

- Expanding Local High Quality Providers through Selective Provider Contracting
- Rates Based on Actual Costs
- Part of an Organized Delivery System
- Improved Professional Practices
 - Evidence Based Practices
 - Comprehensive 6 dimension ASAM assessment

Eligibility

- Adults & Youth
- Enrolled in Medi-Cal
- Residing in Participating County
- Meeting Medical Necessity:
 - Adult – One DSM Diagnosis of SUD; meets ASAM criteria definition of medical necessity
 - Youth – Be assessed for risk for developing SUD, meet ASAM adolescent treatment criteria , honors EPSDT mandate
- Eligibility Verified
- Initial Medical Necessity Determination by LPHA

Standard DMC Services

- Existing Statewide Medi-Cal SUD Treatment Services Include:
 - Outpatient Drug Free Treatment (ODF)
 - Intensive Outpatient Treatment (IOT)
 - Naltrexone Treatment (with TAR)
