

You're Invited!

**Communities of
Excellence (CX) Needs
Assessment Kickoff**

**Join us for the launch of our CX Needs Assessment,
an energizing community experience where your
voice leads the way!**

What is Happening on June 10?

We are rolling up our sleeves and diving into five key tobacco indicators that shape our community's health. Together we'll look at real data, share local knowledge, and spark conversations that help us understand where we're thriving, and where we can create real change.

Why You Should Be There

- Your perspectives matter.
- Your lived experience matters.
- Your ideas matter.

This process only works when the community is involved and it starts with you! Help us shape strategies that reflect the people who live, work, play, and learn in Stanislaus.

The Details: June 10, 2026 from 9:00 a.m. – 10:30 a.m.
