The deposit required is the minimum charge and is non-refundable.* This DOES NOT include any necessary consultant costs for environmental review, specialized studies, financial consulting or any other expert consulting services potentially needed by the County for processing these applications. Monthly draws against the deposit will be made based on staff time and materials needed to process the applications. Staff costs and expenses will be billed at fully burdened weighted labor rates at the time of services rendered. All additional staff time and expenses needed to complete the application processing that exceed the deposit amount will be charged at actual cost, including labor charged at the weighted labor rate.

Invoices will be calculated on a quarterly basis and forwarded to the applicant for balance of payment. If the deposit reaches 20% of the initial deposit or less, the Applicant will be asked to make a subsequent deposit in

* Fees may be refunded if the Planning Director, or his appointed designee, determines extraordinary circumstance warranting a refund exists.

(2) Applications for two or more actions (e.g., Tentative Map and Exception) will be charged the highest application fee, except applications for a Lot Line Adjustment or Williamson Act Cancellation. See Exceptions note below. This fee will be collected with other Building Permit fees and will be calculated based on the total valuation of the Improvement as determined through the normal Building Permit process.
