1% Post Election Manual Tally Report

Presidential Primary Election – March 5, 2024

Pursuant to California Elections Code 15360, The Stanislaus County Registrar of Voters will conduct a random drawing to determine which ballots will be hand counted in the 1% Manual Tally to verify accuracy of the ballot counting equipment used at vote centers and at our central count location.

- For vote center ballots: 1% of the vote centers will be randomly selected and all ballots cast at that location will be hand counted.
- For vote by mail ballots: 1% of batches scanned at the central count location during the semifinal canvass will be randomly selected. Additional batches may be pulled to include any contest that was not in the random draw to ensure every contest in this election is included in the hand count process.
 - Central count utilized three color coded scanning groups: Yellow, Green and Pink. Each grouping will be drawn separately to ensure 1% of batches is randomly drawn from each scanning group.
