AGENDA ITEM**

DEPT: Public Defender

BOARD AGENDA:7.B.13
AGENDA DATE: May 20, 2025

CONSENT: ☒

CEO CONCURRENCE: YES

4/5 Vote Required: No

SUBJECT:

Approval to Enter Into a Five-Year Agreement with Axon for Attorney Premier Enterprise Digital Evidence Management System at a Cost of \$612,012

STAFF RECOMMENDATION:

1. Approve a five-year agreement with Axon in the amount of \$612,012 for the Attorney Premier Enterprise Digital Evidence Management System for the period of July 1, 2025, through June 30, 2030, funded by Net County Cost.
2. Authorize the General Services Agency Director/Purchasing Agent, or designee, to enter into the five-year agreement with Axon for the Attorney Premier Enterprise Digital Evidence Management System and to sign any necessary documents.
3. Authorize the General Services Agency Director/Purchasing Agent, or designee, to execute any amendments or extensions within the specified amount and consistent with the Purchasing Policy.

DISCUSSION:

The Public Defender's (PD) office is requesting approval from the Board of Supervisors for PD to purchase a software subscription with a five-year total cost of \$612,012, funded by Net County Cost, that will increase the efficiency with which the Public Defender's Office can review, redact, transcribe, and provide discovery with digital evidence uploaded to Evidence.com.

Axon's Evidence.com is the only solution that provides access to digital evidence uploaded by local enforcement agencies in the county. The PD's Office has been using Axon's Evidence.com for several years to manage the digital evidence. The service term of the previous contract lapsed September 30, 2024. Axon has continued to provide service during the interim period and requires execution of a new contract before the end of the fiscal year, and by no later than June 30, 2025, for continuation of service. Axon has phased out the pricing structure and environment the PD had been using, requiring the PD to transition to Axon's Attorney Premier software application. Attorney Premier provides the following new, enhanced features to the Department, which will enhance the Department's productivity:

- Pro license for all Department staff (currently, the number of licenses is limited)
- Multi-Cam video playback
- Axon Transcription Assistant Software

- Play third-party videos directly from Evidence.com
- Redaction Assistant
- Axon Citizen (generates a link for staff to directly receive files into the Evidence.com portal)
- Advanced Discovery with full Brady disclosure compliance
- Unlimited storage and secured organized space for Attorneys and Paralegals
- AI-assisted report writing

With Evidence.com being the only solution that provides access to digital evidence, the proposed agreement provides a critical service to the Department ensuring staff receive continued access to evidence through the purchase of the Attorney Premier Digital Evidence Management system. Axon has already been identified as a sole source provider of similar services for the County's District Attorney as part of an agreement approved by the Board of Supervisors on June 20, 2023. The Department is requesting to enter into an initial five-year agreement with Axon for the Attorney Premier Digital Evidence Management System. The agreement also includes an option for an additional five-year renewal term. The Sole Source letter has been approved through GSA Purchasing.

POLICY ISSUE:

The County's Purchasing and Salvage Policy authorizes the County Purchasing Agent to execute contracts whose value is \$200,000 or less. Agreements and amendments whose value exceeds the \$200,000 threshold require the Board of Supervisors' approval (California Government Code §25212 et seq, and §25502.5, et seq., which establish the contracting authority of the Board of Supervisors and the Purchasing Agent).

FISCAL IMPACT:

The Public Defender's prior agreement with Axon for Evidence.com storage cost \$7,200 a year. The prior service is not available on a month-to-month basis and is no longer offered by Axon. The Department has been receiving the service out of contract since September 30, 2024 and the vendor has informed the Department that a new contract must be executed by June 30, 2025 to continue service. The term of this contract is July 1, 2025, through June 30, 2030, with a contract maximum of \$612,012, as shown in the table below. Staff recommend the increase in cost be funded by Net County Cost to ensure the Department can maintain its existing service level. Axon is a critical service for the Public Defender which is why the request requiring additional ongoing Net County Cost is being recommended outside of the Adopted Budget process, which is scheduled in September.

Year	Annual Cost
07/01/25 - 06/30/26	\$ 104,220
07/01/26 - 06/30/27	\$ 126,948
07/01/27 - 06/30/28	\$ 126,948
07/01/28 - 06/30/29	\$ 126,948
07/01/29 - 06/30/30	\$ 126,948
Total	\$ 612,012

Appropriations for the first year of this agreement will be included in the PD request for the 2026 Adopted Budget in Public Defender and Indigent Defense budget units, estimated at \$104,220. Staff recognize the likelihood of challenges in balancing the 2026 Adopted Budget and should there be insufficient increased General Fund revenue to support this contract with appropriations funded by Net County Cost, PD will absorb this contract cost through appropriations transfer with operational savings in other areas within the department spending authority approved by the Board of Supervisors in the 2026 Proposed Budget. The balance of the contract will be appropriated in future budget cycles.

BOARD OF SUPERVISORS' PRIORITY:

The recommended actions are consistent with the Board's priorities of *Supporting a Strong and Safe Community, Delivering Efficient Public Services, and Enhancing Community Infrastructure* by providing the Public Defender's Office continued access to all digital evidence shared by local law enforcement agencies.

STAFFING IMPACT:

Existing Public Defender staff will administer the agreement. No additional staff is required in association with this item.

Non-Content Data includes data about users captured during account management and customer support activities. Non-Content Data does not include Agency Content.
 - 1.4. **"Personal Data"** means any information relating to an identified or identifiable natural person. An identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.
2. **Access.** Upon Axon granting Agency a subscription to Axon Cloud Services, Agency may access and use Axon Cloud Services to store and manage Agency Content.  3. **Agency Owns Agency Content.** Agency controls and owns all right, title, and interest in Agency Content. Except as outlined herein, Axon obtains no interest in Agency Content, and Agency Content is not Axon's business records. Agency is solely responsible for uploading, sharing, managing, and deleting Agency Content. Axon will only have access to Agency Content for the limited purposes set forth herein. Agency agrees to allow Axon access to Agency Content to (a) perform troubleshooting, maintenance, or diagnostic screenings; and (b) enforce this Agreement or policies governing use of the Axon products.
 4. **Security.** Axon will implement commercially reasonable and appropriate measures to secure Agency Content against accidental or unlawful loss, access or disclosure. Axon will maintain a comprehensive information security program to protect Axon Cloud Services and Agency Content including logical, physical access, vulnerability, risk, and configuration management; incident monitoring and response; encryption of uploaded digital evidence; security education; and data protection. Axon agrees to the Federal Bureau of Investigation Criminal Justice Information Services Security Addendum.

If Agency becomes aware of any violation of this Agreement by an end user, Agency will immediately terminate that end user's access to Axon Cloud Services.

7. **Axon Body 3 Wi-Fi Positioning.** Axon Body 3 cameras offer a feature to enhance location services where GPS/GNSS signals may not be available, for instance, within buildings or underground. Agency administrators can manage their choice to use this service within the administrative features of Axon Cloud Services. If Agency chooses to use this service, Axon must also enable the usage of the feature for Agency's Axon Cloud Services tenant. Agency will not see this option with Axon Cloud Services unless Axon has enabled Wi-Fi Positioning for Agency's Axon Cloud Services tenant. When Wi-Fi Positioning is enabled by both Axon and Agency, Non-Content and Personal Data will be sent to Skyhook Holdings, Inc. ("**Skyhook**") to facilitate the Wi-Fi Positioning functionality. Data controlled by Skyhook is outside the scope of the Axon Cloud Services Privacy Policy and is subject to the Skyhook Services Privacy Policy.
8. **Storage.** For Axon Unlimited Device Storage subscriptions, Agency may store unlimited data in Agency's Axon Evidence account only if data originates from Axon Capture or the applicable Axon Device. Axon may charge Agency additional fees for exceeding purchased storage amounts. Axon may place Agency Content that Agency has not viewed or accessed for six (6) months into archival storage. Agency Content in archival storage will not have immediate availability and may take up to twenty-four (24) hours to access.

For Third-Party Unlimited Storage the following restrictions apply: (i) it may only be used in conjunction with a valid Axon's Evidence.com user license; (ii) is limited to data of the law enforcement agency that purchased the Third-Party Unlimited Storage and the Axon's Evidence.com end user or Agency is prohibited from storing data for other law enforcement agencies; and (iii) Agency may only upload and store data that is directly related to: (1) the investigation of, or the prosecution of a crime; (2) common law enforcement activities; or (3) any Agency Content created by Axon Devices or Evidence.com.
9. **Location of Storage.** Axon may transfer Agency Content to third-party subcontractors for storage. Axon will determine the locations of data centers for storage of Agency Content. For United States agencies, Axon will ensure all Agency Content stored in Axon Cloud Services remains within the United States. Ownership of Agency Content remains with Agency.
10. **Suspension.** Axon may temporarily suspend Agency's or any end user's right to access or use any portion or all of Axon Cloud Services immediately upon notice, if Agency or end user's use of or registration for Axon Cloud Services may (a) pose a security risk to Axon Cloud Services or any third-party; (b) adversely impact Axon Cloud Services, the systems, or content of any other customer; (c) subject Axon, Axon's affiliates, or any third-party to liability; or (d) be fraudulent. Agency remains responsible for all fees incurred through suspension. Axon will not delete Agency Content because of suspension, except as specified in this Agreement.
11. **Axon Cloud Services Warranty.** Axon disclaims any warranties or responsibility for data corruption or errors before Agency uploads data to Axon Cloud Services. Service Offerings will be subject to the Axon Cloud Services Service Level Agreement, a current version of which is available at <https://www.axon.com/products/axon-evidence/sla>.
12. **Axon Records.** Axon Records is the software-as-a-service product that is generally available at the time Agency purchases an OSP 7 bundle. During Agency's Axon Records Subscription Term, if any, Agency will be entitled to receive Axon's Update and Upgrade releases on an if-and-when available basis.
 - 12.1. The Axon Records Subscription Term will end upon the completion of the Axon Records Subscription as documented in the Quote, or if purchased as part of an OSP 7 bundle, upon completion of the OSP 7 Term ("**Axon Records Subscription**")
 - 12.2. An "**Update**" is a generally available release of Axon Records that Axon makes available from time to time. An "**Upgrade**" includes (i) new versions of Axon Records that enhance features and functionality, as solely determined by Axon; and/or (ii) new versions of Axon Records that provide additional features or perform additional functions. Upgrades exclude new products that Axon introduces and markets as distinct products or applications.
 - 12.3. New or additional Axon products and applications, as well as any Axon professional services needed to configure Axon Records, are not included. If Agency purchases Axon Records as part of a bundled

Axon Evidence Justice Services Agreement

offering, the Axon Record subscription begins on the later of the (1) start date of that bundled offering, or (2) date Axon provisions Axon Records to Agency.

- 12.4. Users of Axon Records at the Agency may upload files to entities (incidents, reports, cases, etc) in Axon Records with no limit to the number of files and amount of storage. Notwithstanding the foregoing, Axon may limit usage should the Agency exceed an average rate of one-hundred (100) GB per user per year of uploaded files. Axon will not bill for overages.
13. **Axon Cloud Services Restrictions.** Agency and Agency end users (including employees, contractors, agents, officers, volunteers, and directors), may not, or may not attempt to:
 - 13.1. copy, modify, tamper with, repair, or create derivative works of any part of Axon Cloud Services;

 - 13.6. remove, alter, or obscure any confidentiality or proprietary rights notices (including copyright and trademark notices) of Axon's or Axon's licensors on or within Axon Cloud Services; or
 - 13.7. use Axon Cloud Services to store or transmit infringing, libelous, or other unlawful or tortious material; material in violation of third-party privacy rights; or malicious code.
14. **After Termination.** Axon will not delete Agency Content for ninety (90) days following termination. There will be no functionality of Axon Cloud Services during these ninety (90) days other than the ability to retrieve Agency Content. Agency will not incur additional fees if Agency downloads Agency Content from Axon Cloud Services during this time. Axon has no obligation to maintain or provide Agency Content after these ninety (90) days and will thereafter, unless legally prohibited, delete all Agency Content. Upon request, Axon will provide written proof that Axon successfully deleted and fully removed all Agency Content from Axon Cloud Services.
15. **Post-Termination Assistance.** Axon will provide Agency with the same post-termination data retrieval assistance that Axon generally makes available to all customers. Requests for Axon to provide additional assistance in downloading or transferring Agency Content, including requests for Axon's data egress service, will result in additional fees and Axon will not warrant or guarantee data integrity or readability in the external system.
16. **U.S. Government Rights.** If Agency is a U.S. Federal department or using Axon Cloud Services on behalf of a U.S. Federal department, Axon Cloud Services is provided as a "commercial item," "commercial computer software," "commercial computer software documentation," and "technical data", as defined in the Federal Acquisition Regulation and Defense Federal Acquisition Regulation Supplement. If Agency is using Axon Cloud Services on behalf of the U.S. Government and these terms fail to meet the U.S. Government's needs or are inconsistent in any respect with federal law, Agency will immediately discontinue use of Axon Cloud Services.
17. **Survival.** Upon any termination of this Agreement, the following sections in this Appendix will survive: Agency Owns Agency Content, Privacy, Storage, Axon Cloud Services Warranty, and Axon Cloud Services Restrictions.

Axon Evidence Justice Services Agreement

Axon Customer Experience Improvement Program Appendix

1. **Axon Customer Experience Improvement Program (ACEIP).** The ACEIP is designed to accelerate Axon's development of technology, such as building and supporting automated features, to ultimately increase safety within communities and drive efficiency in public safety. To this end, subject to the limitations on Axon as described below, Axon, where allowed by law, may make limited use of Agency Content from all of its customers, to provide, develop, improve, and support current and future Axon products (collectively, "ACEIP Purposes"). However, at all times, Axon will comply with its obligations pursuant to the Axon Cloud Services Terms of Use Appendix to maintain a comprehensive data security program (including compliance with the CJIS Security Policy for Criminal Justice Information), privacy program, and data governance policy, including high industry standards of de-identifying Personal Data, to enforce its security and privacy obligations for the ACEIP. ACEIP has 2 tiers of participation, Tier 1 and Tier 2. By default, Agency will be a participant in ACEIP Tier 1. If Agency does not want to participate in ACEIP Tier 1, Agency can revoke its consent at any time. If Agency wants to participate in Tier 2, as detailed below, Agency can check the ACEIP Tier 2 box below. If Agency does not want to participate in ACEIP Tier 2, Agency should leave box unchecked. At any time, Agency may revoke its consent to ACEIP Tier 1, Tier 2, or both Tiers.
2. **ACEIP Tier 1.**
 - 2.1. When Axon uses Agency Content for the ACEIP Purposes, Axon will extract from Agency Content and may store separately copies of certain segments or elements of the Agency Content (collectively, "ACEIP Content"). When extracting ACEIP Content, Axon will use commercially reasonable efforts to aggregate, transform or de-identify Agency Content so that the extracted ACEIP Content is no longer reasonably capable of being associated with, or could reasonably be linked directly or indirectly to a particular individual ("Privacy Preserving Technique(s)"). For illustrative purposes, some examples are described in footnote ¹. For clarity, ACEIP Content will still be linked indirectly, with an attribution, to the Agency from which it was extracted. This attribution will be stored separately from the data itself, but is necessary for and will be solely used to enable Axon to identify and delete all ACEIP Content upon Agency request. Once de-identified, ACEIP Content may then be further modified, analyzed, and used to create derivative works. At any time, Agency may revoke the consent granted herein to Axon to access and use Agency Content for ACEIP Purposes. Within 30 days of receiving the Agency's request, Axon will no longer access or use Agency Content for ACEIP Purposes and will delete any and all ACEIP Content. Axon will also delete any derivative works which may reasonably be capable of being associated with, or could reasonably be linked directly or indirectly to Agency. In addition, if Axon uses Agency Content for the ACEIP Purposes, upon request, Axon will make available to Agency a list of the specific type of Agency Content being used to generate ACEIP Content, the purpose of such use, and the retention, privacy preserving extraction technique, and relevant data protection practices applicable to the Agency Content or ACEIP Content ("Use Case"). From time to time, Axon may develop and deploy new Use Cases. At least 30 days prior to authorizing the deployment of any new Use Case, Axon will provide Agency notice (by updating the list of Use Case at <https://www.axon.com/aceip> and providing Agency with a mechanism to obtain notice of that update or another commercially reasonable method to Agency designated contact) ("New Use Case").
 - 2.2. **Expiration of ACEIP Tier 1.** Agency consent granted herein, will expire upon termination of the Agreement. In accordance with section 1.1.1, within 30 days of receiving the Agency's request, Axon will no longer access or use Agency Content for ACEIP Purposes and will delete ACEIP Content. Axon will also delete any derivative works which may reasonably be capable of being associated with, or

¹ For example; (a) when extracting specific text to improve automated transcription capabilities, text that could be used to directly identify a particular individual would not be extracted, and extracted text would be disassociated from identifying metadata of any speakers, and the extracted text would be split into individual words and aggregated with other data sources (including publicly available data) to remove any reasonable ability to link any specific text directly or indirectly back to a particular individual; (b) when extracting license plate data to improve Automated License Plate Recognition (ALPR) capabilities, individual license plate characters would be extracted and disassociated from each other so a complete plate could not be reconstituted, and all association to other elements of the source video, such as the vehicle, location, time, and the surrounding environment would also be removed; (c) when extracting audio of potential acoustic events (such as glass breaking or gun shots), very short segments (<1 second) of audio that only contains the likely acoustic events would be extracted and all human utterances would be removed.

Axon Evidence Justice Services Agreement

could reasonably be linked directly or indirectly to Agency.

3. **ACEIP Tier 2.** In addition to ACEIP Tier 1, if Agency wants to help further improve Axon's services, Agency may choose to participate in Tier 2 of the ACEIP. ACEIP Tier 2 grants Axon certain additional rights to use Agency Content, in addition to those set forth in Tier 1 above, without the guaranteed deployment of a Privacy Preserving Technique to enable product development, improvement, and support that cannot be accomplished with aggregated, transformed or de-identified data.

☐ Check this box if Agency wants to help further improve Axon's services by participating in ACEIP Tier 2 in addition to Tier 1. Axon will not enroll Agency into ACEIP Tier 2 until Axon and Agency agree to terms in writing providing for such participation in ACEIP Tier 2.

3. **Out of Scope Services.** Axon is only responsible for the performance of the professional services described in the Quote and this Appendix. Any additional professional services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in the charges or schedule.
4. **Delivery of Services.** Axon personnel will work Monday through Friday, 8:30 a.m. to 5:30 p.m., except holidays. Axon will perform all on-site tasks over a consecutive timeframe. Axon will not charge Agency travel time by Axon personnel to Agency premises as work hours.
5. **Access Computer Systems to Perform Services.** Agency authorizes Axon to access relevant Agency computers and networks, solely for performing the services. Axon will work to identify as soon as reasonably practicable resources and information Axon expects to use and will provide an initial itemized list to Agency. Agency is responsible for and assumes the risk of any problems, delays, losses, claims, or expenses resulting from the content, accuracy, completeness, and consistency of all data, materials, and information supplied by Agency.
6. **Site Preparation.** Axon will provide a hardcopy or digital copy of current user documentation for the Axon Devices ("**User Documentation**"). User Documentation will include all required environmental specifications for the professional services and Axon Devices to operate per the Axon Device User Documentation. Following installation, Agency must maintain the Installation Site per the environmental specifications. If Axon modifies Axon Device User Documentation for any Axon Devices under this Agreement, Axon will provide the update to Agency when Axon generally releases it.
7. **Acceptance.** When Axon completes professional services, Axon will present an acceptance form ("**Acceptance Form**") to Agency. Agency will sign the Acceptance Form acknowledging completion. If Agency reasonably believes Axon did not complete the professional services in substantial conformance with this Agreement, Agency must notify Axon in writing of the specific reasons for rejection within seven (7) calendar days from delivery of the Acceptance Form. Axon will address the issues and re-present the Acceptance Form for signature. If Axon does not receive the signed Acceptance Form or written notification of reasons for rejection within seven (7) calendar days of delivery of the Acceptance Form, Axon will deem Agency to have accepted the professional services.
8. **Agency Network.** For work performed by Axon transiting or making use of Agency's network, Agency is solely responsible for maintenance and functionality of the network. In no event will Axon be liable for loss, damage, or corruption of Agency's network from any cause.
