**Re:** Resignation Board of Directors

Dear Dan,

I am writing to formally resign from my position on the Board of Directors of the Oak Valley Hospital District , effective immediately, due to my ineligibility to run for office the next election following recent redistricting changes.

Serving this community and supporting the mission of the hospital over the past 25 years has been a profound honor. I am deeply grateful for the opportunity to work alongside such dedicated colleagues in advancing quality care for our patients.

Although my tenure on the Board must come to a close, I remain committed to the continued success of the organization and will always value the relationships and accomplishments we have shared.

Thank you for your trust and collaboration over the years.
