STAFF RECOMMENDATION:

Authorize the Sheriff, or designee, to accept the Providing Access and Transforming Health (PATH) Justice Involved (JI) Round 4 Grant funds, under the California Advancing and Innovating Medi-Cal (CalAIM) initiative, in the amount of \$1 million from the Department of Health Care Services (DHCS) to expand and develop capacity and infrastructure necessary to effectuate pre-release service processes.

3. Authorize the Chief Probation Officer, or designee, to accept the PATH JI Round 4 Grant funds, under the CalAIM initiative, in the amount of \$300,000 from the DHCS to expand and develop capacity and infrastructure necessary to effectuate pre-release service processes.

DISCUSSION:

California Advancing and Innovating Medi-Cal — known as CalAIM — is a far-reaching, multiyear plan to transform California's Medi-Cal program and to make it integrate more seamlessly with other social services. The goal of CalAIM is to improve outcomes for the millions of Californians covered by Medi-Cal, especially those with the most complex needs. While CalAIM's broad reach is intended to help all Medi-Cal enrollees, many of the reforms focus on improving care for people with the most complex needs, including people transitioning from jail or prison back to the community who also have complex physical or behavioral health needs.

Medi-Cal Managed Care Plans (MCPs) in Stanislaus County are responsible for the implementation of CalAIM which began in January 2022. There are two MCPs in

Stanislaus County, Health Plan of San Joaquin and Health Net, that provide healthcare services for Medi-Cal beneficiaries through established networks of organized systems of care.

Providing Access and Transforming Health (PATH) is a five-year initiative to build up the capacity and infrastructure to successfully participate in the Medi-Cal delivery system as California widely implements Enhanced Care Management (ECM) and Community Supports and Justice Involved services under CalAIM. Drawing upon the success and lessons learned from the Whole Person Care and Health Homes Pilots, PATH funding will address the gaps in local organizational capacity and infrastructure that exist statewide, enabling the County and its partners to scale up the services they provide to Medi-Cal beneficiaries. With resources funded by PATH, such as additional staff; billing systems; and data exchange capabilities, community partners will successfully contract with managed care organizations bringing their wealth of expertise in community needs to the Medi-Cal delivery system.

The PATH Justice-Involved Capacity Building Program provides funding to support implementation of pre-release Medi-Cal application and suspension processes through multiple rounds of funding.

- Round 1 was a planning grant funding opportunity that provided small planning grants to support collaborative planning to identify processes, protocols, and IT (Information Technology) modifications that are necessary to support implementation of pre-release enrollment and suspension processes. The County accepted an award of \$200,000 on December 6, 2022 ([Board Resolution 2022-0652](#)).
- Round 2 was an implementation grant funding opportunity that provided larger application-based grants to support entities as they implemented the processes, protocols, and IT system modifications that were identified during the Round 1 planning phase. The County accepted an award of \$321,354 for Probation and \$1,316,381 for the Sheriff's Office on October 3, 2023 (Board Resolutions [2023-0501](#) and [2023-0499](#), respectively) for the implementation and support of Medi-Cal pre-release enrollment and suspension processes that will help ensure coverage for incarcerated persons upon re-entry into the community.
- Round 3 was a grant to support the planning and implementation of the provision of targeted pre-release Medi-Cal services to individuals in county jails and youth correctional facilities who met the eligibility criteria as outlined in the CalAIM Section 1115 Demonstration approval. This funding also supported county behavioral health agencies in implementing behavioral health linkages as required by AB 133. PATH funds were available to support investments in personnel, capacity, and/or IT systems that were needed for collaborative planning and implementation in order to effectuate pre-release service processes. These PATH capacity building funds were available to qualified entities and were distributed based on how entities meet certain performance milestones. The County accepted an award of \$2.5 million for Probation and \$5 million for the Sheriff's Office on October 3, 2023 (Board Resolutions [2023-0501](#) and [2023-0499](#), respectively) to effectuate pre-release service processes.

- Round 4 provides Round 3 awardees additional funding to support the planning and implementation of targeted pre-release Medi-Cal services for individuals in county jails and youth correctional facilities who meet the criteria as outlined in the CalAIM Section 1115 Demonstration approval. Both the Sheriff's Office and Probation Department will use these funds toward staffing, healthcare services costs, consultants for go-live activities and IT projects related to the pre-release service processes started with Round 3 funding.

POLICY ISSUE:

Per the County's Grant Policy, County departments are to seek Board approval to accept any new grants or funding agreements, regardless of whether it requires a County General Fund match. Required authorization can be obtained in a scheduled budget cycle or through a separate Board agenda action process.

FISCAL IMPACT:

The total allocation to the County is \$1,300,000. The Sheriff's Office was awarded \$1,000,000 and Probation was awarded \$300,000. Per the terms and conditions of the PATH JI Round 4 funding, the departments will receive the awarded grant funds within 45 calendar days following receipt of the applicant's signature on the acknowledgment of grant terms and conditions attached to this agenda item. The Stanislaus County PATH JI Round 4 application states the targeted date to complete the activities for this round of funding is June 30, 2026, but due to the award not being released until April 21, 2026, DHCS is allowing counties to request an extension through December 31, 2026.

Appropriations and estimated revenue for the PATH JI Round 4 Grant will be included in the Sheriff's and Probation Fiscal Year 2027 Adopted Budget requests. This grant does not require any local match funding and will not have an impact on the County General Fund.

BOARD OF SUPERVISORS' PRIORITY:

Approval of this resolution supports the Board's priorities of *Supporting a Strong and Safe Community*, *Supporting a Healthy Community*, and *Delivering Efficient Public Services* by ensuring the continued coordinated effort between County departments to implement CalAIM.

STAFFING IMPACT:

Existing Sheriff's Office staff will monitor the grant and support the PATH Justice Involved work.

a. CalAIM Pre-Release Services Implementation Plan. Awardee must use grant funds exclusively to implement Medi-Cal pre-release services under the CalAIM Justice-Involved Initiative in accordance with state law and California’s approved Medicaid 1115 Reentry Demonstration Waiver. By accepting funding covered by this agreement, Awardee agrees to complete and submit progress reports using the template approved by DHCS and identify how funding will be used to meet operational readiness requirements for implementing Medi-Cal pre-release services during the expenditure timeline approved by DHCS.

b. Program Guidance and Conditions. Funding received through PATH will only be claimed for allowable services as outlined in the Round 4 program application. In using the funds to implement Medi-Cal CalAIM pre-release services, Awardee must follow all terms, conditions, and guidelines provided in the most recently updated Justice-Involved Planning and Capacity Building Program guidance, found at ca-path.com, and in these Terms and Conditions.

c. Changes and Modifications. Changes and modifications to the Awardee’s application must be provided by the Awardee in writing and are subject to DHCS approval. No change or modification will be valid without the prior written approval of DHCS.

II. Role of Third-Party Administrator.

DHCS has designated Public Consulting Group LLC as the third-party administrator ("TPA"), to administer the grant program and to communicate with Awardee with respect to grant administration. Awardee acknowledges that the TPA is acting solely as a third-party administrator on behalf of DHCS and is not liable or responsible for DHCS decisions or actions. Awardee hereby holds harmless the TPA and its officers, agents, employees, representatives, and/or designees from and against any and all liability, actions, claims, demands, or suits, and all related costs, attorney fees, and expenses arising out of, or relating to the receipt of grant funds.

III. Grant Amount and Method of Payment.

a. Grant Amount. The total grant amount awarded to the Awardee must not exceed:

Award Amount*

\$1,000,000.00 USD

Awardee acknowledges that the grant amount has been determined by DHCS and will not be negotiated with the TPA. Final amount awarded will be determined and communicated to the Awardee, in writing, no later than 30 calendar days after DHCS approves application.

b. Method of Payment. Except as otherwise stated below, the TPA, on behalf of DHCS, will disburse the full installment of the awarded grant funds to Awardee via direct deposit into Awardee's designated bank account within forty-five (45) calendar days of receipt of Awardee's signed Acknowledgement, provided Awardee has submitted all Awardee information, forms, and documentation required to facilitate payment.

c. Reliance on Provided Information. DHCS and the TPA are entitled to rely on the accuracy, veracity and completeness of information provided by Awardee in the disbursement of grant funds.

IV. Reporting Requirements.

a. Final Report. Awardees are required to submit a final progress report by June 30, 2026, detailing how PATH funds were spent, will be spent, and describing the status, be it final or ongoing, of each approved activity. This report will be combined with the Awardee's Round 3 Final Progress Report.

b. Progress Reporting. For awardees that are approved by DHCS to expend round 4 funding beyond December 31, 2026, there will be additional reporting requirements. DHCS will provide these details upon award acceptance. Questions should be emailed to CalAIMJusticeAdvisoryGroup@dhcs.ca.gov

c. Failure to report. If the awardee fails to submit the final report within thirty (30) calendar days of the report becoming due, DHCS may terminate the grant pursuant to Section VIII, below.

V. Additional DHCS Terms and Conditions.

- a. Funding received through the Justice-Involved Planning and Capacity Building Program will not duplicate or supplant funds received through other programs or initiatives or by other federal, state, or local funding sources, including but not limited to funds provided by the California Department of Corrections and Rehabilitation (“CDCR”) for the purchase of technology for state prisons, county jails, and youth correction facilities.
- b. DHCS may, in its reasonable discretion, modify payment dates or amounts and will notify Awardee of any such changes in writing.
- c. Awardee may be subject to audit or inquiry with respect to the receipt and use of grant funds at any time. Awardee must respond to inquiries, communications, and requests for additional information or documentation from DHCS or the TPA within two (2) business days of receipt (as determined by the sent date in the electronic communication) and must provide any requested information within five (5) business days, unless an alternative timeline is approved by DHCS.
- d. Awardee must alert DHCS and the TPA within two (2) business days if circumstances prevent it from carrying out any of the activities described in the application.
- e. In such cases, Awardee may be required to return unused funds to DHCS.
- f. Awardee’s authorized representative for the purposes of communications related to this grant is:

Authorized Representative Name*

Authorized Representative Title*

Transformation Manager

Authorized Representative Address*

250 Hackett Rd, Modesto, CA 95358, USA

DHCS and the TPA may rely on the authority of the above-named individual to speak and act on behalf of the Awardee. The Awardee must notify DHCS and the TPA in writing no later than two (2) business days prior to implementing any change to the above-named authorized representative.

g. Awardee will retain all records and documentation related to the receipt and use of PATH grant funds, including all documentation used to support and detail expenditures, for no less than ten (10) years beyond the date of final payment and will make such records available for complete inspection by DHCS upon request.

h. DHCS reserves the right to receive, use, and reproduce all reports and data produced, delivered, or generated by or about Awardee and its activities pursuant to this grant and may authorize others to do so without limitation, except as restricted by applicable law.

VI. Auditing and Recoupment

a. DHCS or the TPA, as appropriate, may perform audits of Justice-Involved funding disbursements. If DHCS or the TPA identifies deficiency(ies), Awardee must submit a Corrective Action Plan no later than 60 days from the date of notification of the deficiency(ies). Other monitoring processes may be required as appropriate and necessary to timely meet requirements and Operational Criteria for the CalAIM pre-release services and other requirements for receipt of PATH Justice-Involved funding.

b. In the event that Awardee does not spend all received funds during the DHCS approved expenditure period, Awardee will communicate with DHCS regarding the intent to return funds and justification. DHCS will consider three (3) possible scenarios if the Awardee does not spend all funds received for any reason, including:

i. Permit the entity to 'rollover' a limited amount of unspent funding to other permissible uses for up to 12 months following expenditure end date, pending approval from DHCS. The amount of funding that is rolled over and the duration of period for use may be determined by DHCS on a case-by-case basis;

ii. The entity may voluntarily return unused funds to DHCS; or

iii. If the entity is unresponsive to requests from DHCS or the TPA and will not return unused funds to DHCS or respond to the request for funding to be applied to different permissible uses, DHCS will seek an audit and recoupment of unused funds.

c. DHCS will seek to audit entities and recoup funds in instances where DHCS identifies one (1) or more of the following, including but not limited to:

i. DHCS or the TPA identify potential, fraud, waste, or abuse;

ii. DHCS or the TPA identify that PATH funding was spent on impermissible uses of funds;

iii. DHCS or the TPA determine that Awardee failed to comply with any terms or conditions of this Agreement, including but not limited to all reporting requirements set forth in Section IV above;

iv. Awardee becomes ineligible to be a provider of pre-release services;

v. Awardee reports using funding on an item or activity that was not documented in their approved grant application without seeking prior written approval from DHCS;

vi. Awardee reports significant deviations (as determined by DHCS) in how funding was applied to various approved funding uses relative to what was described in their original budget template; or

vii. Awardee did not spend all the funds received and will not voluntarily return unused funds to DHCS or request for unused funds to be applied to other permissible uses.

d. DHCS will notify Awardee in writing of any amounts subject to recoupment. Awardee shall return the funds identified in such notice within thirty (30) calendar days of receipt of notice of recoupment.

VII. Termination.

Upon written notice to Awardee, DHCS may terminate the grant award in any of the following circumstances:

- a. If Awardee fails to perform any one or more of the requirements set forth in these Terms and Conditions;
- b. If any of the information provided by Awardee to DHCS or to the TPA is untruthful, incomplete, or inaccurate;
- c. Upon Awardee's debarment or suspension by competent authority, if such debarment or suspension precludes any activity funded by the grant;
- d. Upon Awardee's indictment in any criminal proceeding;
- e. If Awardee is reasonably suspected of fraud, forgery, embezzlement, theft, or any other misuse of public funds;
- f. If DHCS does not receive or maintain sufficient funds to administer the program;
- g. If any restriction, limitation, or condition is enacted by Congress or by any other governing body or agency that impedes the funding or administration of the grant; or,
- h. For any other purpose deemed necessary or advisable by DHCS.

In the case of early termination, Awardee may be subject to audit, recoupment by DHCS of unused or misused funds pursuant funds pursuant to Section IV above, and/or preclusion from receiving additional funding, dependent upon the circumstances of the termination.

IN WITNESS THEREOF, AWARDEE has executed this Acknowledgment as of the date set forth below.

Our approved PATH 3 funding was for the purchase, installation, and connecting equipment for 3 workstations for new health care vendor staff engaged in CalAIM Justice-Involved Initiative activities, including computers, network connectivity, desks, chairs, filing cabinets, and office supplies.

We are requesting an additional \$20,000 as the equipment costs have increased and there is associated labor which we did not account for in our PATH 3 request. PATH 3 approved funding for this line item was not sufficient, as actual costs have increased and additional work has been needed to outfit the stations.

4. Hiring of Staff, Training, and Onboarding

Did you receive funding in Round 3 for this permissible use?*

Yes

If yes, how much?*

\$297,600.00 USD

If yes, why do you need more in Round 4? What type of programmatic gaps did your agency identify that more funding will fill? *

Stanislaus County Probation Department intends to utilize PATH 4 funding to extend our capacity to account for the salaries of five staff we intend to hire by January 2026 as well as six internal positions to our department. Probation has been actively engaged in the recruitment processes for the five staff we intend to hire (CalAIM Transformation Manager, Data Analyst, Pre-release Care Managers (2 positions), and Public Health Nurse). We have developed position descriptions as well as received approval from the board of supervisors for these positions. We have experienced challenges in hiring for our primary role, CalAIM Transformation Manager, which has led to delays in the subsequent positions. We are requesting PATH 4 funding to provide us additional support as we on board these critical positions. We are also requesting PATH 4 funding to support six internal positions who have been essential in supporting our readiness assessment and will continue to play a pivotal role as we onboard new staff and through our go-live process. Stanislaus County Probation Department has a medium level population, and the level of revenue we will generate is currently unknown. While we know many of our youth will qualify for Medi-Cal, billing for services is a new activity for our detention center. We want to ensure we have sufficient funds to maintain these roles through our go-live process and as we begin our claims process.

5. Development of Protocols and Procedures

Did you receive funding in Round 3 for this permissible use?*

No

If no, please describe how funding in this category will help your agency fill programmatic gaps. What are your current processes? *

Stanislaus County Probation Department is not requesting additional funding for the Development of Protocols and Procedures.

6. Additional Activities to Promote Collaboration

Did you receive funding in Round 3 for this permissible use?*

No

If no, please describe how funding in this category will help your agency fill programmatic gaps. What are your current processes? *

Stanislaus County Probation Department is not requesting additional funding for Additional Activities to Promote Collaboration.

7. Planning

Did you receive funding in Round 3 for this permissible use?*

Yes

If yes, how much?*

\$1,006,414.00 USD

If yes, why do you need more in Round 4? What type of programmatic gaps did your agency identify that more funding will fill? *

The Stanislaus County Probation Department has been working with a retained consultant to develop our implementation plan and readiness assessment. The Stanislaus County Probation Department staff does not have the necessary Medi-Cal expertise nor sufficient capacity to evaluate the CalAIM Justice-Involved Initiative requirements post Go -Live. We are seeking continued post Go-Live consulting support to ensure the successful implementation of all the planned initiative activities.

8. Screening for Pre-Release Services (time-limited to two years)

Did you receive funding in Round 3 for this permissible use?*

No

If no, please describe how funding in this category will help your agency fill programmatic gaps. What are your current processes? *

Stanislaus County Probation Department is not requesting additional funding for Screening for Pre-Release Services.

9. Other Activities to Support Provision of Medi-Cal Reentry Services

Did you receive funding in Round 3 for this permissible use?*

No

If no, please describe how funding in this category will help your agency fill programmatic gaps. What are your current processes? *

Stanislaus County Probation Department is not requesting additional funding for Other Activities to Support Provision of Medi-Cal Reentry Services.

10. Funds Expenditure Timeframe

What is your planned expenditure date for Round 4 funding?*

Dec 30, 2027

Please provide a narrative justification for this timeline.*

Stanislaus County Probation Department plans to submit our readiness assessment on January 1, 2026, with an anticipated go-live date of July 1, 2026. Several of the funding within our permissible use categories from PATH 3 funding have an expenditure date near our proposed go-live date. We intend to use PATH 4 funding to ensure there is continuity in staff and services as we implement our readiness assessment during the go-live phase. PATH 4 funding will provide stability for our department during at critical transition time in the CalAIM Justice Involved Initiative.

11. Sustainability

Please provide a narrative of how your agency plans to sustain these programmatic changes beyond the approved grant expenditure timeframe. *

Stanislaus County Probation Department's sustainability plan involves using PATH 3 and PATH 4 funds to support changes in our infrastructure, processes, policies, and staffing through December 31, 2027. This funding will allow us time to provide the mandatory 90-day pre-release services after go-live and conduct a thorough analysis of long-term costs and revenue. Stanislaus County Probation Department intends to hire several positions who will oversee the CalAIM JI Initiative and be actively engaged in ensuring sustainability of our proposed readiness activities. We will leverage our CalAIM Transformation Manager and Data Analyst as well as our governance structure to closely monitor sustainability as well as make recommendations to changes in policy, procedure, and operation to ensure sustainability.
