CEO CONCURRENCE: YES

4/5 Vote Required: NO

SUBJECT:

Approval of the 2026 Agreement Between the 38th District Agricultural Association - Stanislaus County Fair Board and Stanislaus County for the Sheriff to Provide Security at the Fair

STAFF RECOMMENDATION:

1. Approve the 2026 Agreement between the 38th District Agricultural Association – Stanislaus County Fair Board and Stanislaus County for the Sheriff to Provide Security at the Fair.
2. Authorize the Chief Executive Officer to sign the Agreement on behalf of the County.

DISCUSSION:

The Sheriff's Office has been providing security services for the Stanislaus County Fair (Fair) for over 30 years. Based on prior years' experience and projected expenses, the Sheriff's Office has developed an operations staffing plan for the Fair.

The Sheriff has negotiated with the Fair Board, and the Fair Board has agreed to reimburse the Sheriff's Office for actual salary and related benefits costs incurred for services up to a maximum of \$236,000. As in previous years, in the event costs to staff the Fair exceed the contracted rate of \$236,000 the overage will be absorbed by the Sheriff's Office. Total costs in 2025 were \$191,498.

The Fair Board will continue to indemnify the County against all claims that may arise.

POLICY ISSUE:

Government Code Section 53069.8 authorizes the Board of Supervisors of a County to contract on behalf of the Sheriff of that county to provide supplemental law enforcement services to private individuals or private entities to preserve the peace at special events or occurrences that happen on an occasional basis.

FISCAL IMPACT:

The proposed contract amount is \$236,000. The total cost of \$236,000 represents approximately 2,492 hours and includes all salary and related benefits for Sheriff services. Personnel will perform fair security duties which include assignments in the arena, free variety stage, beer booths, grounds, gates, mounted patrols, and supervision by Sergeants.

The Department will request the \$236,000 in appropriations and estimated revenue during the 2027 Adopted Budget process.

As described in the discussion section of this Agenda Item, the cost of providing security services at the Stanislaus County Fair may exceed \$236,000 due to operational costs. Any cost overage experienced by the Department will be absorbed within the Department's existing budget.

BOARD OF SUPERVISORS' PRIORITY:

The recommended actions are consistent with the Boards' priority of *Supporting a Strong and Safe Community* and *Delivering Efficient Public Services* by ensuring the 38th District Agricultural Association – Stanislaus County Fair has an appropriate level of security services provided by the Sheriff's Office, so this community event remains incident free, safe, and fun for fair attendees.

STAFFING IMPACT:

Services performed through this contract will use existing Sheriff staff. There is no additional staffing impact related to this item.

FOOTNOTES:

- "Postconsumer recycled-content material" is defined as products that were bought, used, and recycled by consumers. For example, a newspaper that has been purchased, recycled, and used to make another product would be considered postconsumer material.
- "Product category" refers to one of the categories listed below, into which the reportable purchase is best placed.
- If the product does not belong in any of the product categories, enter "N/A." Common "N/A" products include wood products, aggregate, concrete, and electronics such as computers, TV, software on a disk or CD, and telephones.
- For reused or refurbished products, there is no minimum content requirement. (PCC 12209(I))
