STANISLAUS CO. CLERK-RECORDER
Jennine Creakmore
BY _____

(For County Use Only)

Project Title: Proposed Amendments to District Rule 4306 (Boilers, Steam Generators, and Process Heaters-Phase 3) and Rule 4320 (Advanced Emission Reduction Options for Boilers, Steam Generators, and Process Heaters Greater than 5.0 MMBTU/HR) (District Project No. 20200340)

Project Location (Specific): Not Applicable

Project Location (City): All Cities within the San Joaquin Valley Air Basin

Project Location (County): All Counties within the San Joaquin Valley Air Basin (Fresno, Kern, Kings, Madera, Merced, San Joaquin, Stanislaus and Tulare)

Description of Nature, Purpose and Beneficiaries of Project: The District is proposing to amend District Rule 4306 and District Rule 4320 (Boilers, Steam Generators, and Process Heaters > 5 MMBtu/hr) to reduce NOx emissions by lowering the NOx emission limits and lowering the more stringent Advanced Emission Reduction Option (AERO) limit for specific classes and categories of units, in order to meet commitments in the 2018 PM2.5 Plan.

Name of Public Agency Approving Project: San Joaquin Valley Air Pollution Control District

Name of Person or Agency Carrying Out Project: San Joaquin Valley Air Pollution Control District

Applicant Name, Address, & Phone Number: San Joaquin Valley Air Pollution Control District (559) 230-6000

Exempt Status: (Check one)

- Ministerial: §21080(b)(1); 15268
- Declared Emergency: §21080(b)(3); 15269(a)
- Emergency Project: §21080(b)(4); 15269(b)(c)
- Categorical Exemption: §15308 (Actions by Regulatory Agencies for Protection of Natural Resources)
- Statutory Exemptions:
- Common Sense Exemption: Section 15061(b)(3)

Reasons Why Project is Exempt: The project is the amendment of District Rule 4306 (Boilers, Steam Generators, and Process Heaters-Phase 3) and Rule 4320 (Advanced Emission Reduction Options for Boilers, Steam Generators, and Process Heaters Greater than 5.0 MMBTU/HR). District staff concludes that there is substantial evidence in the whole record before the District that the proposed project would not cause any adverse impacts on the environment. The District finds that the project is categorically exempt from the provisions of CEQA pursuant to CEQA Guidelines §15308 (Actions by Regulatory Agencies for Protection of the Environment), and finds that the project is exempt per the common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment (CCR §15061(b)(3)).
