Project Title: Hickman Water Consolidation Project

Project Applicant: City of Waterford

Project Location (include county): City of Waterford, Stanislaus County

Project Description:

The Proposed Project generally consists of domestic and public safety water infrastructure improvements to the City of Waterford's water systems, in accordance with state water and fire codes, including improvements within the Community of Hickman. The work will address deficient fire suppression flows within the existing Water System. No expansion of water service is being proposed.

This is to advise that the City of Waterford has approved the above (Lead Agency or Responsible Agency)

described project on January 21, 2021 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

City of Waterford - City Hall - 101 E Street Waterford, CA 95386
