

Stanislaus County Sustainable Groundwater Management Act

Non-District East Landowner Event #2

Wednesday December 13, 2023 - 5:30pm – 7:00 pm

Stanislaus County Harvest Hall 3800 Cornucopia Way, Suite B, Modesto, CA 95358

Zoom Access: Meeting ID: 815 0720 1729 Password: 878441

Background: Stanislaus County, as a member agency of the Stanislaus and Tuolumne Rivers Groundwater Basin Association (STRGBA) Groundwater Sustainability Agency, is hosting a landowner workshop series tailored for eastern Modesto Subbasin property owners who depend on groundwater for a majority, if not all, of their water supply needs for crops and livestock. This event is the second of three workshops and will focus on implementation of the Groundwater Sustainability Plan, governance in the Non-District East Management Area, current groundwater conditions, and projects to promote groundwater sustainability.
