

HAZARDOUS MATERIALS BUSINESS PLAN (HMBP) AB1429 & ANNUAL CERTIFICATION

Presented by: Ruben Hernandez

Stanislaus County Dept. of Environmental Resources

AB 1429

- Chaptered July 9, 2019
- Effective January 1, 2020
- Changed the Hazardous Materials Business Plan (HMBP) reporting frequency
 - Local ordinances may require annual submission
- Businesses who are not subject to Aboveground Petroleum Storage Act (APSA) or EPCRA Tier II reporting requirements :
 - **Must still provide annual certification**
 - May submit HMBP every 3 years
- Businesses subject to EPCRA Tier II or APSA requirements:
 - Must submit HMBP annually
 - CalOES guidance
- [Changes in HMBP Submittal Requirements](#)

EPCRA TIER II REPORTING

- The thresholds for EPCRA Tier II reporting can be found in 40 Code of Federal Regulations (CFR) Part 370, and are summarized as follows:

EPCRA Tier II Reporting Chemicals	EPCRA Reportable Thresholds
Extremely Hazardous Substances (EHSs, EPCRA Section 302)	500 lbs. or the threshold planning quantity (TPQ), whichever is lower
Gasoline in underground storage tanks (USTs) at retail gas stations	75,000 gallons (all grades combined)
Diesel fuel in USTs at retail gas stations	100,000 gallons (all grades combined)
All other hazardous chemicals for which Safety Data Sheets (SDSs) are required	10,000 lbs.

*If UST facility was not in compliance at all times during the preceding calendar year, EPCRA reporting is applicable regardless of quantity stored.

ELIGIBILITY CRITERIA

- Must not be subject to APSA or EPCRA requirements
- No active HMBP submittal element drafts
- No changes to the HMBP from the last submittal
- Last HMBP submittal status is either “Submitted”, “Under Review”, or “Accepted”
- Last HMBP submitted within the last 36 months
- Last HMBP submittal, submitted on or after 1/1/2019

NEW CERTIFICATION FUNCTIONALITY

- Once confirmed, certification cannot be retracted, deleted or changed
- Certifications are automatically accepted
- No further action required by facilities
- No action required by CUPAs

Prepare Draft Submittal: Facility AB1429 Example

Home » Prepare Submittal (10179314)

Instructions/Help

Use this page to prepare draft submittals for your facility to transmit to your local regulator(s), prepare a complete draft HMBP (Facility Information, HMI, E RTP) automatically from your last submittal for submission to your regulator(s) for review, or certify your last HMBP submittal. Make sure to review any status and guidance messages for your forms or submittals by selecting the guidance icons.

- Select "Start" button to create a submittal from scratch or copied from a previous submittal.
- Select "New" and "Edit" buttons to complete specific submittal forms or provide supplemental documentation.
- Select "Discard" button to delete a draft form/documentation when you need to re-start a form or it is no longer relevant for your draft submittal.
- Select "Not Applicable" if you believe the submittal element is no longer relevant for your facility (e.g., closed UST tank).
- Select "Submit" when you are ready to transmit one or more submittals to your local regulator(s). ALL submittals must include a Facility Information element.
- Use the Certify feature to certify your last submitted HMBP (AB 1429). Facility must meet eligibility requirements.
- Use the Create All HMBP Submittal Elements feature to automatically prepare a complete draft HMBP (Facility Information, HMI, E RTP) from your last submittal for submission to your regulator(s) for review.

Training Use Only! Perform Official Submittals [Here](#)

Annual HMBP Certification (AB 1429)

This feature allows a business owner/operator to annually certify that the information in their last HMBP submittal in CERS is complete, accurate, and complies with EPCRA, if applicable. This option may only be used for facilities that meet the eligibility requirements for annual certification, and that are not subject to EPCRA reporting or AFSA requirements. Please click [here](#) to review eligibility requirements. **It is strongly advised that you carefully review your last HMBP submittal for accuracy before certifying.**

[Certify](#)

Create All HMBP Submittal Elements

This feature allows a business owner/operator to prepare a complete draft HMBP (Facility Information, HMI, E RTP) automatically from your last submittal for submission to your regulator for review. This option should only be used if you are not eligible to certify, there are no changes to your last submitted HMBP elements, and those HMBP elements do not have a status of "Not Accepted."

Prepare Draft Submittal: Facility AB1429 Example

Home » Prepare Submittal (10179314)

Instructions/Help

Use this page to prepare draft submittals for your facility to transmit to your local regulator(s), prepare a complete draft HMBP (Facility Information, HMI, ERT) automatically from your last submittal for submission to your regulator(s) for review, or certify your last HMBP submittal. Make sure to review any status and guidance messages for your forms or submittals by selecting the guidance icons.

- Select "Start" button to create a submittal from scratch or copied from a previous submittal.
- Select "New" and "Edit" buttons to complete specific submittal forms or provide supplemental documentation.
- Select "Discard" button to delete a draft form/documentation when you need to re-start a form or it is no longer relevant for your draft submittal.
- Select "Not Applicable" if you believe the submittal element is no longer relevant for your facility (e.g., closed UST tank).
- Select "Submit" when you are ready to transmit one or more submittals to your local regulator(s). ALL submittals must include a Facility Information element.
- Use the Certify feature to certify your last submitted HMBP (AB 1429). Facility must meet eligibility requirements.
- Use the Create All HMBP Submittal Elements feature to create all submittal elements for your last submittal for submission to your regulator(s) for review.

Annual HMBP Certification Eligibility Requirements (AB 1429)

i For a facility to be eligible for Annual HMBP Certification, it must meet the following criteria:

- There must not be current active drafts for Facility Information, Hazardous Materials Inventory, or Emergency Response and Training Plans submittal elements
- There are no changes to the HMBP since the last submitted HMBP submittal elements
- Last submitted HMBP submittal elements must have a status of Submitted, Under Review, or Accepted
- Last submitted HMBP submittal elements must have been submitted within the last 36 months
- Last submitted HMBP submittal elements must have been submitted on or after 1/1/2019
- Facility must not be subject to EPCRA reporting or APSA requirements

- Select "Discard" button to delete a draft form/documentation when you need to re-start a form or it is no longer relevant for your draft submittal.
- Select "Not Applicable" if you are not required to submit this information.
- Select "Submit" when you are ready to submit your draft submittal.
- Use the Certify feature to certify your last HMBP submittal for submission to your regulator(s) for review.

Annual Certification Confirmation

 **Certification Statement:** Based on my own knowledge and/or on my inquiry of those individuals responsible for obtaining the information, I, Ruben Hernandez (CERS Account username *rhernandez27*), certify on 11/10/2021 **under penalty of law** that I have personally examined and am familiar with the information being submitted, and agree to the following:

- The information contained in the most recently submitted HMBP is complete, accurate, and up-to-date, and there has been no change since the last submitted HMBP submittal elements.
- The information being submitted meets the requirements of Chapter 6.95, Article 1 of the California Health and Safety Code.
- The information being submitted is in compliance with section 11022 of Title 42 of the United States Code, if applicable.

By selecting "Confirm", I am confirming that the above is true, that this facility is NOT subject to EPCRA reporting or APSA requirements, and that I am authorizing the automated creation and submission of this Annual HMBP Certification.

Once confirmed, the Certification cannot be retracted, deleted, or changed. It is strongly advised that you carefully review your last HMBP submittal for accuracy before certifying. If you have not reviewed your last HMBP and need to do so now, please select "Cancel" and review your last submittal before certifying.

Annual HMBP Certification
This feature allows a business to certify its last submitted HMBP submittal and that are not subject to EPCRA reporting or APSA requirements, and that you carefully review your last HMBP submittal for accuracy.

Create All HMBP Submittals
This feature allows a business to automatically create and submit all HMBP submittal elements from your last submitted HMBP submittal. If you are not eligible to certify, there will be a status of "Not Accepted."
