**REUSE  
DAY**

Held every Saturday from **7AM-8AM** at the Household Hazardous Waste Facility located on 1710 Morgan Road, Modesto.

Stanislaus County residents may come to the facility to take home a variety of items (e.g. oil, antifreeze, latex and oil-based paint, etc.) that other residents have dropped off but are still in good condition.

Stanislaus County Information Hotline

**(209) 525-6789**

This program is a joint effort by the Stanislaus County Department of Environmental Resources, the Cities, and the County Board of Supervisors.

**REDUCE • REUSE • RECYCLE**

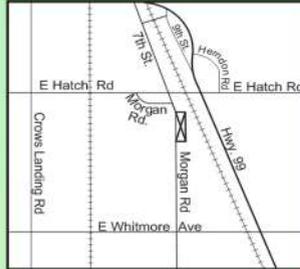

**Only Rain Down the Drain!**

Many household hazardous products, such as oven cleaners, paint removers, bug killers, solvents, and drain cleaners, found in homes contain chemicals that are potentially harmful to both people and the environment. Disposal of these products requires special attention. Household hazardous products should never be poured on the ground, into gutters, or down storm drains. Everything that goes into storm drains makes its way straight to our rivers and streams and eventually finds their way to where we fish, what we drink and where we swim. Storm water pollution is our biggest source of water pollution.

**It All Adds Up. It All Comes Back. You Are The Solution To The Pollution.**
