### **Detectives Arrest Man Who Has Been Molesting Children for Over 26 Years**

RIVERBANK, CA-Detectives at Riverbank Police Services arrested a 56-year-old Riverbank man who has been accused of molesting children from local church for over 26-years. Jerry Franklin JOHNSON, also known as Jeff, was arrested Tuesday afternoon for several felony charges of sexual acts with a child.

The investigation was started on April 15, 2008 when a 7-year-old victim reported to Oakdale Police Department that she had been molested by JOHNSON. While the investigation was ongoing on the initial report, several other older victims came forward and reported that JOHNSON also molested them when they were younger. Detectives said the incidents occurred in Oakdale and Riverbank. After talking to 8 victims, detectives believe that JOHNSON has been molesting children as far back as 1981. All of JOHNSON's victims were from the Church of Christ in Oakdale where JOHNSON was a church member. Some of the victims were also his relatives.

Detectives know there are more victims that have not reported incidents of molest by JOHNSON, but are asking them to come forward now. The victims that have recently come forward are between the ages of 20 and 30-years-old. "We want to help the victims find closure from anything that he might have done to them," said Detective Walsh from Riverbank Police Services. "We can only do that if the victims come forward and let us help them."

JOHNSON was arrested and booked on one felony count of sexual penetration with a foreign object, continuous sexual abuse of a child, oral copulation of victim under 16-years-old, and lewd or lascivious acts with a child under 14-years-old. He is being held in the Stanislaus County Jail with a bail of \$125,000.
