### **Magician Shawn Durham to perform at Modesto Library**

Magician Shawn Durham will perform Saturday, January 30, at 12 and 1:30 p.m. in auditorium of the Modesto Library. Children of all ages will be amazed with Durham's comedic performance that features mind-boggling, brain-twisting tricks. He involves the audience, blending magic with fun. This program will stimulate children's imaginations, help them develop social skills through audience participation and introduce them to the resources of the library.

The performance is free, but space is limited, so families are encouraged to arrive early. Free same-day tickets are available one hour before each show at the Children's Desk. This program is made possible by funding from the Aileen T. Gisler bequest. The Modesto Library is located at 1500 I Street. For more information, please call 558-7810.
