Sports Party Pennants at the Ceres Library

On Thursday, July 18 at 3:30 p.m. teens age 13 – 18 can make their own sports-themed pennant as part of the summer reading program, “Activate Your Mind – READ!” This fun project provides an excellent opportunity for teens to interact with their peers in a fun and safe environment, be creative with crafts, and learn about the wonderful programs the Stanislaus County Library offers. Young adult books will also be on display during the event and available for checkout.

For more information, please call the Ceres Library at 537-8938.
