November Events at the Oakdale Library

This November, the Oakdale Library will offer crafts and games for teens, and a special Story Time event for children and their families! Mark your calendar to take advantage of these free, engaging programs.

Teens: get your game on at the library on November 17! An afternoon of Wii gaming starts at 3:30 p.m. Teens will learn teamwork and strategy while competing in engaging video games on the library's Wii.

Join the Oakdale Library and Mayor Pat Paul on November 19 for the "Mayor's Book Club," a special Story Time event. At 10:30 a.m. the mayor will read a story to children and their families.

Teens can express their creative side with the Teen Button Maker craft on November 20. Using the library's button maker, teens can use their favorite art to make unique pins! To create these buttons, participants have the option of bringing pictures or photos from home, or creating artwork of their own!

Preschoolers will have an opportunity to experiment with the "Glow in the Dark Geometry" on November 25 and 26 at 11 a.m. Participants can learn through play by creating different shapes and patterns with glow sticks. This event is sponsored by the Friends of the Oakdale Library.

The Oakdale Library is located at 151 S. First Avenue in Oakdale. For more information, please call (209) 847-4204.
