June Events at the Newman Library

This June, the Newman Library will offer free programs for all ages, including a month long craft program for teens, craft and LEGO programs for children, and a fondue program for adults.

Teens can visit the library to make duct tape bookmarks which fit over the corner of a book's page. Directions and materials will be available in the library's teen area all month long. The Duct Tape Bookmark craft is sponsored by the Friends of the Newman Library.

All ages are invited to a LEGO program on Thursday, June 11 at 3:30 p.m. LEGO play helps develop basic engineering skills as well as fine motor skills. LEGO days are sponsored by the Friends of the Newman Library.

Children can learn how to make an ordinary lollipop super on Saturday, June 20 at 1:30 p.m. Crafters will attach a mask and cake to the provided lollipops. This craft is sponsored by the Friends of the Newman Library.

Adults can enjoy a fondue program on Tuesday, June 23 at 6 p.m. Participants can enjoy several fondue chocolate sauces paired with a variety of dipping foods.

The Newman Library is located at 1305 Kern St. in Newman. For more information, please call (209) 862-2010.
