Stanislaus County & City of Modesto Reopen Tenth St. Place

Tenth Street Place offices will reopen to the public on Monday, May 18 for business that cannot be conducted online, or by phone. Many reception desk services will resume during regular business hours for public assistance.

As we continue to operate amid the COVID-19 virus, the health and well-being of our customers and employees is our number one priority. When coming to Tenth Street Place, the public is asked to adhere to the [CDC guidelines](#) for proper distancing and hygiene, and stay home if they are experiencing any flu-like symptoms. Visitors are encouraged to wear a face covering at all times and keep six feet of distance from others when in the facility. A limited supply of face coverings will be available to visitors that do not have them.

Based on social distancing standards, building security may limit the number of visitors allowed at any one time. Security staff will be available to answer questions related to allowable numbers within departments.

Customers are encouraged to continue using online services, reaching departments by phone, mail or email and using drop box payment options when possible. Most services are accessible remotely or open by appointment. Please check the department website or call ahead to determine whether or not the services you are looking for are available for in person visits, by appointment or only remotely.

In accordance with the ongoing order related to mass gatherings, Board of Supervisor meetings will continue to be held online and by telephone through June. Additional information can be found at [stancounty.com](#).
