Stanislaus County Public Health Opens
Additional COVID-19 Vaccine Clinic in Oakdale

What: Stanislaus County Public Health announces the opening of a COVID-19 Vaccine Clinic in Oakdale CA in partnership with City of Oakdale and the Gladys Lemmons Senior Center. This is Stanislaus County's third public clinic and is an addition to the clinics already operating at Modesto Center Plaza and California State University Stanislaus. Vaccines will be provided to Stanislaus County Residents who are prioritized in Phase 1A and seniors aged 65 and older.

Due to limited availability of vaccines, the clinic will only be able to provide 500 doses at the site. Public Health is appreciative of the partnership with City of Oakdale partners in assisting with setting up these clinics. For up to date information on the Stanislaus County Vaccination Clinics, please visit http://www.schsa.org/coronavirus/vaccine/. Please follow StanEmergency social media channels for additional notifications regarding clinic openings.

When: Tuesday, January 26th, 2021
9:00 a.m. – 4:00 p.m.

Where: Gladys Lemmons Senior Center
450 A Street
Oakdale CA, 95361

Off Street parking is available at the Senior Center off of A Street. Once the parking lot is full individuals will be able to park on the street on N. Sierra Avenue, N. 4th Avenue and other nearby neighborhood streets.

Visuals: Signage will be displayed on the site indicating parking and clinic information.
