Stanislaus County Parks & Recreation to Celebrate Bonita Pool Reopening with Ribbon-Cutting Ceremony Tomorrow, September 13

Crows Landing, Calif. – The Stanislaus County Parks & Recreation Department is excited to invite the public to the ribbon-cutting and official grand reopening of the newly renovated Bonita Pool at 11 a.m. tomorrow, Saturday, September 13, 2025. The pool is located on the corner of 4th/I Street in the community of Crows Landing, and will serve as a vital recreational resource for residents of all ages.

The Bonita Pool Project represents a significant investment in the community, delivering long-awaited improvements to this vital neighborhood park. The project includes a new swimming pool, restrooms, equipment room, concession stand, site enhancements, and improved accessibility throughout the facility. These improvements reflect Stanislaus County's ongoing commitment to building community services by enhancing parks.

To celebrate the reopening, Parks and Recreation is partnering with the Stanislaus County Police Activities League (PAL) to offer the community *free swim weekends* throughout September from 12:00 p.m. to 5:00 p.m.

"This project is about much more than just reopening a pool; it's about creating an outlet for children and families to stay active, come together, and build stronger community ties," said Supervisor Chance Condit. "Bonita Pool will serve as a source of pride for Crows Landing and provide lasting benefits for the entire Westside."

The project benefited from a \$2.8 million State Specified Grant from the California State Department of Parks, secured with the valued support of Senator Anna Caballero, for which we are sincerely grateful. "We're thrilled to announce the reopening of Bonita Pool – a cherished space for play, connection, and healthy outdoor recreation," said Tera Chumley, Director of Parks & Recreation.

This park project was made possible through partnerships with the Stanislaus County Police Activities League, the Stanislaus County General Services Agency (Project Management), LDA Partners (Architecture), Marvulli, Inc. (General Contractor), and The Gordian Group.

Stanislaus County Parks & Recreation builds community by enriching lives through outdoor experiences that inspire and promote health and wellness. The Parks & Recreation Department is charged with implementing the policies established by the Board of Supervisors pertaining to Community Parks.
