- Cultural Awareness Week

Kathy Harwell and Shareen Richards (Chair) discussed CSA's training and event at their agency.

- They are mandated to have the training and it is part of their values. It is an All day event at CSA. Committee is made up of employees and they also get outside volunteers. Shareen passed out a handout. 4D – Taste, Smell, Feel, See. Fundraisers – pay for \$75 for each table. Reimbursed with receipts.
- Food, Fashion Show, Tables of Country Information, Training by World Relief Organization, One four hour event.
- Staff is required to complete an online survey afterwards.
- Question regarding if there are any unrepresented groups in the event? Yes they do reach out to the International Committee for representation which are not represented.
- Dale Butler Award Ceremony – The idea was presented of bringing in an outside speaker. Leslie brought up the idea of doing it as a presentation in a regular Board meeting. Jeremiah is in favor of keeping it the way it is. He doesn't like the Board meeting idea because he feels it will take away from the presentation of the award. Brandi brought up the idea of having Dale Butler open the event. Nancy we will start working on dates. Will plan on tying it to the international week and will create a calendar of all the events.
- Recruitment outreach efforts. Nancy asked if there were any additional organizations where we should be doing outreach.
- Investigations Training – Nancy asked for feedback. The training was well received by the attendees. How do we close the loop with the employee after the investigation? Nancy asked what the departments are currently doing. Brandi stated she meets with both the complainant and the respondent. Sara stated she has done one and she felt the employee appreciated understanding the reason for the outcome of the investigation. Jennifer connects with employees through email due to schedule differences. Jeremiah stated that timeliness is very important in getting the complaint handled.
