# PROGRAM YEAR – 5

## CONSOLIDATED PLAN 2020-2024

2024-2025 STANISLAUS HOME CONSORTIUM & STANISLAUS URBAN COUNTY  
CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT

### INTRODUCTION

The 2024-2025 Consolidated Annual Performance and Evaluation Report (CAPER) constitutes the fifth reporting period (the Fiscal Year covering July 1, 2024 to June 30, 2025) of the Five-Year Consolidated Planning period. Stanislaus County, in partnership with the cities of: Ceres, Hughson, Newman, Oakdale, Patterson, Riverbank, and Waterford form the Stanislaus Urban County (hereafter “Urban County”) for purposes of receiving U.S. Housing and Urban Development (HUD) Community Development Block Grant (CDBG) and Emergency Solutions Grants (ESG) program funds. The Stanislaus Urban County, in partnership with the City of Turlock for the Stanislaus HOME Consortium for purposes of receiving HUD HOME Investment Partnerships (HOME) funding. Stanislaus County serves as lead entity for both the Stanislaus HOME Consortium and the Urban County.

HUD requires the Stanislaus HOME Consortium and Urban County to prepare and adopt a Five-year Consolidated Plan (Con Plan) and Annual Action Plans to inform HUD on how the allocated grant funds will be used. At the end of each fiscal year (FY), HUD requires this annual CAPER to report the progress made in accomplishing the goals set forth in the Con Plan, also referred to as a Strategic Plan, and Annual Action Plan (AAP). As a recipient of Neighborhood Stabilization Program (NSP) funding in prior fiscal years, the Urban County reports on NSP program income funds still programmed for use. The projects and activities outlined within this CAPER were administered and overseen by the County’s Department of Planning and Community Development.

In Fiscal Year 2024-2025, the Stanislaus HOME Consortium and Urban County continued focusing on effectively administering and implementing CDBG, ESG, HOME, and NSP programs. HUD funded infrastructure projects continued with a mixture of preliminary design, engineering, environmental assessments, and construction activities. Non-profits were awarded CDBG and ESG funding for delivery of public services and emergency shelter operations continued to provide needed services to the communities most vulnerable populations.

The annual HUD Entitlement program funding allocated to the Stanislaus Urban County in Fiscal Year 2024-2025 were:

CDBG	\$2,305,008
ESG	\$ 205,225
<b>Total:</b>	<b>\$2,510,233</b>

The annual HUD Entitlement program funding allocated to the Stanislaus HOME Consortium in Fiscal Year 2024-2025 was:

HOME	\$1,262,718.33
------	----------------

Fiscal Year 2024-2025 was the second year of the Stanislaus HOME Consortium. The County utilized the year to establish the foundation for identifying projects and expend funding in accordance with HUD requirements. Staff's efforts included working with the City of Turlock to coordinate the programming of unallocated City of Turlock/Stanislaus Urban County HOME Consortium funds (both the annual allocation and program income) held by the City of Turlock. A consultant was obtained to assist the County with program development and administration of the new Consortium.

In addition to the funding listed above, the CAPER also reports on the use of HUD CDBG and ESG Coronavirus Aid, Relief, and Economic Security (CARES) Act funding awarded to the Stanislaus Urban County in Fiscal Years 2019-2020 and 2020-2021. The CARES Act identified additional funding for the CDBG and ESG programs to prevent, prepare for, and respond to the community impacts of the COVID-19 pandemic. The ESG CV funding expenditure deadlines were in Fiscal Year 2023-2024 and funded activities were a part of the Fiscal Year 2023-2024. The CDBG CV funding expenditure deadline is June 30, 2026, and funded activities will be reported in the CAPERs for Fiscal Year 2024-2025 and 2025-2026.

HUD's distribution plan for CDBG and ESG CARES Act funding included multiple rounds: an initial round (CV1) that allowed for quick access to funding necessary to address the immediate crisis resulting from the pandemic and funding rounds two and three, CV2 and CV3, that supported post-pandemic community recovery. Below are the amounts that the Stanislaus Urban County was awarded for CDBG CV1 and CDBG CV3) funding The Stanislaus Urban County was not covered CV2 funding:

CDBG Round One (CV1) Allocation:	\$1,358,994
CDBG Round Three (CV3) Allocation:	<u>\$1,432,755</u>
<b>Total</b>	<b>\$2,791,749</b>

CDBG, ESG, NSP, and HOME funds are designed to primarily serve the low-income community as defined by the Area Median Income (AMI) limits per program for Stanislaus County as determined by HUD. Funds are used by the Stanislaus HOME Consortium and Urban County to meet the following goals of the Con Plan:

1. Increase and improve supply of affordable housing
2. Work to end and prevent homelessness
3. Improve infrastructure and public facilities
4. Provide public services
5. Community emergency responses
6. Administration

In Fiscal Year 2024-2025, the Stanislaus HOME Consortium and Urban County continued to collaborate with the Stanislaus Community System of Care (CSOC), the local federally recognized Continuum of Care (CoC), on homeless services and programs. A CoC is an integrated system of care that guides and tracks homeless individuals and households through a comprehensive array of housing and services designed to prevent and end homelessness. Services supported with ESG funding are brought to the local CoC for feedback and to ensure coordination with countywide efforts to address homelessness.

The County's Department of Planning and Community Development has also served as the Administrative Entity for the local CoC for state ESG (CA-ESG) since 2017. The department works with the CoC to identify service needs and allocates the CA-ESG funding through its annual grant application process that is later

described in the CAPER. Over the last few years, the local CoC area has received approximately two hundred eighty thousand dollars (\$280,000) annually in CA-ESG funding.

This CAPER is presented in the template format generated by HUD which includes a series of questions and answers in relation to specific program funding received by the Stanislaus HOME Consortium and Urban County. The information provided in the CAPER is limited to the specific questions that HUD requires of Stanislaus County, as the lead entity, and does not address any other federal or state funding received by the members of the Stanislaus HOME Consortium and Urban County. The CAPER is submitted through HUD's Integrated Disbursement and Information System (IDIS) which limits the length of responses to each question.

**[Space below intentionally left blank.]**

### **PROGRESS THE JURISDICTION HAS MADE IN CARRYING OUT ITS STRATEGIC PLAN AND ITS ACTION PLAN. 91.520(A)**

**This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.**

The priorities identified in the Con Plan are public infrastructure, economic development, affordable housing, public services, and community emergency response to COVID-19. In many neighborhoods and communities throughout the planning area, public infrastructure (sewer, curb, gutter, sidewalk, storm drainage, etc.) is minimal or non-existent, causing this to be a high priority need. All of the Stanislaus Urban County members utilize CDBG funds for infrastructure improvement projects in an effort to improve the quality of life for residents in and around the project areas.

Through the CDBG Public Services Grant (CDBG-PSG) program, the Urban County set aside approximately fourteen percent (14%) of its annual CDBG allocation for programs that provide services to low to moderate-income households (families or individuals). A total of three hundred twenty-five thousand dollars (\$325,000) in funding was awarded to eight (8) public service programs to carry-out a number of needed services that included assistance to the homeless and those at risk of becoming homeless. Approximately nineteen hundred (1,900) individuals received some form of service, from CDBG PSG funded programs ranging from meals and shelter for low-income households to emergency food assistance.

Throughout Fiscal Year 2024-2025, the Urban County and the local CoC worked together on strengthening efforts to address and collaborate on homeless issues. Those efforts included working with the CoC and other entitlement jurisdictions to:

- Oversee and monitor programs for federal compliance
- Support the Coordinated Entry System (CES)
- Support the Homeless Management Information System (HMIS)
- Update local CES policies and procedures

CDBG CV1 and CDBG CV3, funding, were awarded through a competitive grant application process. A total of twelve (12) programs provided by eight (8) service providers were funded CDBG CV. During Fiscal Year 2024-2025, a total of two hundred thirty-five (235) individuals were assisted with CDBG CV funds.

### **COMPARISON OF THE PROPOSED VERSUS ACTUAL OUTCOMES FOR EACH OUTCOME MEASURE SUBMITTED WITH THE CONSOLIDATED PLAN AND EXPLAIN, IF APPLICABLE, WHY PROGRESS WAS NOT MADE TOWARD MEETING GOALS AND OBJECTIVES. 91.520(G)**

**Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.**

Consolidated Plan Accomplishments					Strategic Plan to Date			Program Year 5

Table 1 – Consolidated Plan Accomplishments – Program Year 5 and Strategic Plan to Date

\*The Affordable Housing goal is in the FY 2020-2025 Con Plan as a goal for the overall City of Turlock/Stanislaus Urban County HOME Consortium, which was administered by the City of Turlock until July, 1, 2024. All HOME Program funded projects, housing goals and related activities that were funded prior to June 30, 2024 are reported in the City of Turlock’s CAPER and any HOME funded projects after that are reported by the County on behalf of the Stanislaus HOME Consortium.

**ASSESS HOW THE JURISDICTION'S USE OF FUNDS, PARTICULARLY CDBG, ADDRESSES THE PRIORITIES AND SPECIFIC OBJECTIVES IDENTIFIED IN THE PLAN, GIVING SPECIAL ATTENTION TO THE HIGHEST PRIORITY ACTIVITIES IDENTIFIED.**

The Con Plan identifies public infrastructure and facility improvements, affordable housing, community and economic development, public services, homeless services, and community emergency response as the high priority needs. Consistent with these priorities, the following activities were undertaken:

- Each Urban County member continued with the design, engineering, and construction of various public infrastructure projects contributing to the improvement of neighborhoods.
- Continued to fund public service programs through a competitive grant process to assist non-profits that aid low- and moderate-income persons in need of services (i.e., food, shelter, and youth services).
- Continued to oversee CDBG CV awarded grants, to non-profits, that were offered through a competitive process to assist the community to prepare, prevent, and protect its residents, service providers, and businesses from the impact of COVID-19.
- A consultant assisted with technical assistance in establishing program policies and procedures and development of a Request for Proposals (RFP) for housing development projects and services, in an effort to establish the program's administrative foundation.

The following expenditures of public services program funding occurred during the FY:

CDBG-PSG Program Funded Service Providers (Fiscal Year 2024-2025)

Court Appointed Special Advocates of Stanislaus County – Direct Services Project	\$35,000
Center for Human Services – Economic and Mobility Program	\$35,000
Children's Crisis Center of Stanislaus County – Guardian House	\$35,000
Children's Crisis Center of Stanislaus County – Marsha's House	\$35,000
Children's Crisis Center of Stanislaus County – Verda's House	\$35,000
The Salvation Army Red Shield – After School Program	\$35,000
We Care Program – Turlock – Emergency Shelter Program	\$35,000
We Care Program – Turlock – Substance Abuse-Counseling Program	\$80,000

2024 ESG Program Funded Service Providers

Center for Human Services – Youth Low Barrier Shelter Program	\$77,042
Haven Women's Center of Stanislaus – Haven Emergency Shelter Program	\$26,830
Turning Point Community Programs – Rapid Re-Housing Program	\$85,962

2023 ESG Program Funded Service Providers

Community Housing and Shelter Services – Rental Assistance Program	\$88,010.40
We Care Program – Turlock – Emergency Shelter Program	\$104,683.60

CDBG CV1 Program Funded Service Providers

Cambridge Academies – Enterprise Connection Program	\$201,731.50
Center for Human Services – Family Resource Center Concrete Support	\$201,731.50
Children's Crisis Center – CDBG CARES Program	\$170,691.50
Family Promise of Greater Modesto – Rent/Utility Assistance Program	\$201,731.50

Salvation Army – Red Shield – Feed the Need Program	\$201,731.50
United Samaritans Foundation – Employee Hazard Pay	\$109,578.50

CDBG CV3 Program Funded Service Providers

Cambridge Academies – HOST House Shelter Program	\$200,000
Cambridge Academies – Naomi’s House Shelter Program	\$200,000
Center for Human Services – Family Resource Center Concrete Support	\$200,000
Community Housing and Shelter Services – Rental Assistance Program	\$180,000
Haven Women’s Center of Stanislaus – Haven Emergency Shelter Program	\$166,204
Salvation Army – Red Shield – Feed the Need Program	\$200,000

The competitive grant review process utilized a Grant Review Panel made up of representatives from each of the Urban County’s members and the CSOC to assure progress towards meeting the Con Plan’s priorities and addressing community needs.

As the Urban County’s lead entity, county staff administratively supported all of the Urban County members on their paths towards meeting the goals in the Con Plan. The following were the projects that the Stanislaus Urban County Members had underway in the last fiscal year.

Stanislaus Urban County Members Infrastructure Projects

Stanislaus County: West Modesto Infrastructure Improvements Project  
City of Ceres: Morrow Village Phase III Improvements Project  
City of Hughson: 2<sup>nd</sup> Street Improvements Infrastructure Project  
City of Newman: Steffensen-Sunshine Area Infrastructure Project  
City of Oakdale: Southwest Downtown Safe Routes to School Improvements Project  
City of Patterson: Washburn Infrastructure Improvements Project  
City of Riverbank: Water and Sewer Line- High Street/Riverside Drive Project  
City of Waterford: G Street Infrastructure Improvements Project

Table 2 A – Table of Assistance to Racial and Ethnic Populations by Source of Funds

### NARRATIVE

The Urban County identifies priority needs and offers services and programs to eligible individuals and households regardless of race and ethnicity. Tables 2 and 2 A above reflect the CDBG-PSG, ESG, and CDBG CV programs administered Fiscal Year 2024-2025 and is auto generated by the HUD CAPER template reflecting demographic information provided by participants and recorded in the HUD Integrated Disbursement and Information System (IDIS) reporting system.

CDBG-PSG funds were used by several non-profits that addressed the needs of special populations in the Urban County. Of the total nineteen hundred (1,900) individuals assisted, approximately five hundred (500) individuals with disabilities were assisted, nine hundred four (904) were assisted with emergency food, eight hundred twenty (820) were assisted with shelter, and seven hundred sixty-one (761) were assisted with utility assistance. Among the total assisted individuals, there were ninety-two (92) female head of households, eighty (80) veterans, one hundred forty-four (144) seniors, one hundred eighteen (118) domestic violence victims, and one thousand thirty-eight (1,038) homeless. Of those assisted, thirty

(30) were provided with homeless prevention services, seven hundred thirty-two (732) were provided case management, and nine hundred four (904) were provided emergency food assistance.

ESG funds were used by several non-profits that assisted homeless persons and families, both the chronically homeless populations and temporarily homeless households, make a transition to permanent housing and independent living. While enrolled in these programs, case managers worked with each household to set goals and work on a housing action plan in order to identify and connect with any needed services such as: Temporary Assistance for Needy Families (TANF), food stamps, Veteran's benefits, future employment opportunities, etc. ESG homeless prevention and rapid re-housing funds placed thirteen (13) homeless individuals into permanent housing with all eight being stably housed by the end of the fiscal year.

ESG funds were also used to provide emergency shelter to homeless individuals and households. Clients that showed progress and motivation toward self-sufficiency receive extended case management in conjunction with rapid re-housing assistance funds to assist in the placement of job and permanent housing. Shelter service providers assisted sixteen individuals to obtain housing this last fiscal year. The ESG funded programs assisted a total of four hundred three (403) individuals throughout the fiscal year.

**[Space below intentionally left blank.]**

**IDENTIFY THE RESOURCES MADE AVAILABLE.**

Source of Funds	Resources Made Available	Amount Expended During Program Year- Program Year 2024
CDBG	\$2,305,008	\$1,727,261
ESG 2023	\$208,317	\$176,343
ESG 2024	\$205,225	\$66,215
HOME	\$1,262,718	76,808

Table 3 – Resources Made Available

**NARRATIVE**

The annual entitlement CDBG, HOME, ESG and CARES Act CDBG CV funding, in the amounts identified in *Table 3 – Resources Made Available*, continued to provide much needed public infrastructure, public services, and support to alleviate the impact of COVID 19, especially for the most vulnerable in the community. Collectively, CDBG and ESG funding assist the Urban County in addressing infrastructure needs and to provide services to the most vulnerable of our community. When other resources are available, Urban County members leverage CDBG funds with local, state, or other federal funds. In Fiscal Year 2024-2025, CDBG and ESG activities leveraged two million five hundred fourteen thousand one hundred sixty-eight dollars (\$2,514,168) and one million two hundred fifty-four thousand nine hundred eighty-six dollars (\$1,254,986) respectively to support service delivery. There was no HOME funding expended in Fiscal Year 2024-2025 and there is no match or leveraged funding to report.

[ Space below intentionally left blank. ]

## IDENTIFY THE GEOGRAPHIC DISTRIBUTION AND LOCATION OF INVESTMENTS

Target Area	Planned % of Allocation	Actual % of Allocation	Narrative Description
Ceres	16	16	Infrastructure, Public Services, and Economic Development
Newman	9	9	Infrastructure, Public Services, and Economic Development
Oakdale	10	10	Infrastructure, Public Services, and Economic Development
Patterson	11	11	Infrastructure, Public Services, and Economic Development
Riverbank	9	9	Infrastructure, Public Services, and Economic Development
Stanislaus Urban County	20	20	Infrastructure, Public Services, and Economic Development
Unincorporated Stanislaus County	8	8	Infrastructure, Public Services, and Economic Development
Waterford	9	9	Infrastructure, Public Services, and Economic Development
Hughson	8	8	Infrastructure, Public Services, and Economic Development
Turlock	N/A	N/A	Affordable Housing and Services

Table 4 – Identify the Geographic Distribution and Location of Investments

## NARRATIVE

CDBG funding is allocated among all the Urban County's members based on a population and poverty formula, along with an equitable amount of funding for administration. Stanislaus County, as lead entity, receives a greater percentage of funding for administration. Each member sets their own priority for public infrastructure projects. In many neighborhoods and communities within the Urban County's planning area, public infrastructure is minimal or non-existent, causing this to be a high priority need. Infrastructure such as sewer, water, curb, gutter, sidewalk, and storm drainage are typical development standards in newer neighborhoods but are non-existent or antiquated in older neighborhoods. The Urban County members each use the majority of their annual CDBG entitlement funds for infrastructure improvement-related projects. CDBG-PSG and ESG funding, are made available for use throughout the entire Urban County planning area. CDBG funding is also used to fund fair housing services throughout the Urban County.

HOME funding is allocated among all the Stanislaus HOME Consortium members based on a population and poverty formula for activities. All members are given the opportunity to propose projects using their HOME allocation, with a requirement that funding for the project(s) must be encumbered for use within six (6) months of the beginning of each fiscal year. Unencumbered funds will be utilized by Stanislaus County, as lead entity, in delivery of eligible housing programs and projects. Programs and projects will be developed through the release of request for proposal (RFP) for housing rehabilitation services, down payment assistant services, and general affordable housing projects for the entire Stanislaus HOME Consortium. The County will retain an ongoing list of projects, developed from RFPs (to be released to

developers, realtors, and with others interested in participating in affordable housing development) seeking funding for projects. The project list will be prioritized based on community need, project feasibility (i.e., funding, entitlements, design stage, etc.), and time frame for full implementation.

## **LEVERAGING**

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

## **LEVERAGING RESOURCES**

CDBG and ESG activities leveraged two million five hundred fourteen thousand one hundred sixty-eight dollars (\$2,514,168) and one million two hundred fifty-four thousand nine hundred eighty-six dollars (\$1,254,986) respectively to support service delivery. The sources of leveraged funding included: private donations, other local funding, program income, and in-kind donations. Match was not required of the CDBG funded service providers during, however, awarded agencies were still required to report the amounts.

**[ Space below intentionally left blank. ]**

## FISCAL YEAR SUMMARY – HOME MATCH

Excess match from prior Federal fiscal year	\$0
Match contributed during current Federal fiscal year	\$0
Total match available for current Federal fiscal year (Line 1 plus Line 2)	\$0
Match Liability for current Federal fiscal year	\$0
Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	\$0

## MATCHING

Under the ESG program (federal and state), fifty percent (50%) of the costs related to the projects are reimbursed and the remainder of the costs paid by non-ESG match funding sources (i.e., local unrestricted donations). In this manner, the subrecipient in turn commits their dollar-to-dollar match by paying the remainder of the expenses from non-ESG sources.

The HOME Program requires that a contribution or match of no less than twenty-five (25) cents for each dollar of HOME funds be spent on affordable housing. HOME housing development projects selected through an RFP process will be subject to meeting the match requirement. For this reporting period there were no housing activity funds expended.

**[Space below intentionally left blank.]**

**EVALUATION OF THE JURISDICTION'S PROGRESS IN PROVIDING AFFORDABLE HOUSING, INCLUDING THE NUMBER AND TYPES OF FAMILIES SERVED, THE NUMBER OF EXTREMELY LOW-INCOME, LOW-INCOME, MODERATE-INCOME, AND MIDDLE-INCOME PERSONS SERVED.**

<b>Total</b>	<b>11</b>	<b>0</b>

Table 6 – Number of Households Supported

**DISCUSS THE DIFFERENCE BETWEEN GOALS AND OUTCOMES AND PROBLEMS ENCOUNTERED IN MEETING THESE GOALS.**

As the second year of the Stanislaus HOME Consortium, efforts continued to be focused on establishing the program foundation which included contracting with a housing services provider to assist with preparing policies and procedures and a Request for Proposals (RFP) for housing development projects and services. Efforts also included collaborating with the City of Turlock to develop a joint Request for Proposals (RFP) for housing development and services that recognizes funding from the prior HOME Consortium that are still administered by the City of Turlock.

**DISCUSS HOW THESE OUTCOMES WILL IMPACT FUTURE ANNUAL ACTION PLANS.**

The Stanislaus HOME Consortium will continue to coordinate at a regional level with the Stanislaus Regional Housing Authority (SRHA), non-profit housing developers, the CSOC (and participating agencies with housing funds), and other entitlement jurisdictions (City of Modesto) to address affordable housing issues as well as homeless prevention strategies. New sources of funding for the planning and development of affordable housing have been made available at the state level and efforts continue throughout Stanislaus County to accelerate affordable and market-rate housing in Stanislaus County; however, while the new source of funding will aid the efforts to address affordable housing needs, the

high cost of developing affordable housing will remain a challenge in getting actual units developed in the volume needed.

State funding has become increasingly dependent on state certification of jurisdictions (cities and counties) General Plan Housing Elements. The members of the Stanislaus HOME Consortium and Urban County continue in their efforts to attain state certification of their respective housing elements. As June 30, 2025, the cities of Ceres, Newman had attained certification.

With respect to HUD funding, there are simply not enough funds available from the yearly CDBG and HOME allocation or remaining one million two thousand eight hundred five dollars (\$1,002,805) in NSP PI to make any significant impact on the Stanislaus HOME Consortium's affordable housing need. The Urban County will continue to use its annual CDBG allocation to: improve the public infrastructure needed to preserve existing affordable housing and support new affordable housing, and to provide fair housing services to assist with tenant/landlord issues. Moving forward in Fiscal Year 2025-2026 the HOME Consortium members will combine their previous through an RFP process. The HOME funding is available will be made available.

**INCLUDE THE NUMBER OF EXTREMELY LOW-INCOME, LOW-INCOME, AND MODERATE-INCOME PERSONS SERVED BY EACH ACTIVITY WHERE INFORMATION ON INCOME BY FAMILY SIZE IS REQUIRED TO DETERMINE THE ELIGIBILITY OF THE ACTIVITY.**

Number of Persons Served	CDBG Actual	Percentage	HOME Actual	Percentage
Extremely Low-income	1,378	72.53%	0	0%
Low-income	516	27.16%	0	0%
Moderate-income	6	0.32%	0	0%
Total	1,900	100%	0	0%

Table 7 – Number of Persons Served

**NARRATIVE**

The Urban County does not use CDBG funds directly for affordable housing development but does provide CDBG-PSG and ESG funding to assist the homeless and those at risk of becoming homeless with housing needs. ESG demographical information is shown in CR- 65 Persons Served.

During Fiscal Year 2024-2025, nineteen hundred (1,900) individuals received services from the five (5) non-profit service providers awarded CDBG PSG funding and two hundred thirty-five (235) individuals received services from the eight (8) non-profit service providers awarded CDBG CV funding. Services received included: emergency food assistance, utility assistance, respite childcare, case management, shelter services, education classes, and resource referrals.

A total of one hundred thirty-six (136) clients with special needs were assisted in obtaining shelter services through ESG funded programs and a total of thirteen (13) individuals were assisted with ESG funds in finding affordable rental housing.

**[ Space below intentionally left blank. ]**

**EVALUATE THE JURISDICTION'S PROGRESS IN MEETING ITS SPECIFIC OBJECTIVES FOR REDUCING AND ENDING HOMELESSNESS THROUGH:**

**Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs.**

The Urban County utilized CDBG PSG and ESG funding to implement outreach strategies to assist in addressing the homeless population. The Urban County awarded grants to non-profit homeless service providers to provide: homeless prevention, case management, food, shelter, and rapid re-housing. All grantees are required to actively participate in the CSOC in an effort to enhance the coordinated outreach and engagement efforts to the homeless population. The Urban County continued to be actively involved in the development and planning of the local CSOC's outreach and engagement efforts to identify needs and gaps in services for the homeless. The CSOC has developed a system for coordinated intake, assessment, and referral that fully complies with federal CoC requirements.

In Fiscal Year 2024-2025, ESG funding was also provided to non-profit service providers to assist with Homeless Management Information System (HMIS) data entry. During the fiscal year, a total of three hundred sixty-nine (369) individuals were sheltered and thirteen (13) individuals obtained housing through ESG funded programs. All Urban County ESG funded non-profits maintain client information in the HMIS system and track the progress of the clients while in the programs. Once out of the programs, progress is difficult to track due to lack of funding to pay for the cost of follow-up.

In addition to federal ESG funding, the County's has also served as the Administrative Entity for the local Continuum of Care (CoC) for California Emergency Solutions Grants (CA-ESG) funding since 2017. CA-ESG funding administered during fiscal year included the annual allocation and the continued expenditure of CA-ESG CV funding used throughout Stanislaus County.

Activities undertaken utilizing CA-ESG CV funding included a youth low barrier shelter with a navigation center that coordinates the needs of homeless and emancipated youth.

The members of the Stanislaus HOME Consortium and Urban County, through participation in the CSOC, continue to engage in homeless discharge coordination through participation in the Stanislaus County Hospital and Shelter Partners (SCHSP) meetings. Since April 2019, the Hospital Council of Northern California has coordinated SCHSP monthly meetings with representatives from local hospitals, homeless shelters, public agencies, and stakeholder groups to plan for the discharge of homeless individuals from health care facilities to comply with SB 1152. The objective has been to create a community standard of care and greater connection and cooperation between discharging and receiving providers of services for the homeless.

**Addressing the emergency shelter and transitional housing needs of homeless persons.**

Throughout Fiscal Year 2024-2025, the Urban County provided CDBG-PSG and ESG grant funding to various emergency shelters and housing service providers to address emergency shelter needs of homeless persons and households. A total of sixteen (16) emergency shelter clients subsequently received housing assistance and became stably housed.

The Stanislaus HOME Consortium and Urban County have been working in collaboration with the local CoC, currently recognized as the CSOC, for over twenty-four (24) years to improve services for the homeless and those at risk of homelessness. This collaborative is comprised of the Stanislaus Regional Housing Authority (SRHA), the City of Turlock, the City of Modesto, various County's Departments (Behavioral Health and Recovery Services [BHRS], Community Services Agency [CSA], and Planning & Community Development), shelter providers, housing and housing counseling services providers, faith-based organizations, and over a dozen housing and supportive service providers.

The HMIS sub-committee of the CSOC, continued to work diligently throughout the fiscal year to improve the data quality of the current HMIS system. Through ESG funding from the Urban County, Community Housing and Shelter Services (CHSS) has entered non-HUD funded homeless service providers client information into the HMIS system. This data allows the CSOC's homeless data collection to be a much more valuable tool for tracking individuals patterns into and out of homelessness. Improving data quality will allow funding to be better prioritized to meet homeless population needs within Stanislaus County.

While not funded by the Urban County, the following are some of the facilities available, and efforts undertaken, during the fiscal year to address the emergency shelter and transitional housing needs of homeless persons countywide:

#### Access Center Emergency Shelter (ACES)

The Access Center Emergency Shelter (ACES), located in the City of Modesto, is a one hundred eighty-two (182) bed, low-barrier, shelter focused on providing shelter to the most vulnerable unsheltered population by decreasing common barriers to individuals accepting shelter service, such as, pets, partners, and possessions. ACES opened November 26, 2019 and operated by the Salvation Army through an agreement approved by the Board of Supervisors on October 1, 2019. Included in the bed count is a twenty-two (22) bed dorm area available for those individuals experiencing homelessness that suffer from a significant mental illness. This dorm-style room reduces instances of victimization and increases the efficacy of therapeutic intervention. The County's Community Assessment Response and Engagement (CARE) Team is also able to use the location to provide case management and shelter to the most vulnerable unsheltered individuals. ACES has also afforded an opportunity for the most vulnerable unsheltered population to be sheltered and connected with case management services, with a strong emphasis on assisting shelter guests to become document ready for entry into the community's coordinated entry housing continuum. Additionally, Stanislaus County Animal Services Agency partnered with ACES to create a healthy pets program. This program provides pet food, crates, and animal health services to pets residing at ACES. A total of six hundred seventeen (617) homeless individuals were provided shelter services this fiscal year.

#### Empire Cold Weather Family Shelter

The Empire Cold Weather Family Shelter, located in the community of Empire, was initiated by the County's Community Services Agency (CSA) in November 2018 as a partnership with the SRHA. The target population served are families who are currently being case managed in CSA Housing Support Program (HSP) unit, have used all available temporary shelter nights, are still engaged in the search for permanent housing and have been unsheltered the longest based on date of referral to the HSP program.

CSA works in partnership with Community Housing and Shelter Services (CHSS) for placement of

families at the Empire Cold Weather Family Shelter and has an existing contract with CHSS to administer, arrange and facilitate temporary housing services to CalWORKs and Welfare-to-Work eligible families. CHSS also provides case management services, which include assisting and educating participants on their income, household budgets, and housing options; aiding participants in completion of housing applications and landlord outreach; and providing housing search workshops.

The Empire Migrant center consists of ninety (90) dwelling units used for farmworker housing from April to October each year. This project allows CSA to use twenty-two (22) units during the months of November through March. In Fiscal Year 2024-2025, twenty-two (22) families and sixty-four (64) individuals were served with case management services. Of the families served, eighty-seven percent (87%) received permanent housing.

#### Family Housing Facility (FHF)

In November 2019, CSA began leasing a motel, located in Modesto area, to operate a year-round family shelter using the model implemented at the Empire Cold Weather Family Shelter. The property has twenty-three (23) units and a three (3) room office space.

CSA works in partnership with CHSS for placement at FHF. CHSS services include primary case management oversight which include: assisting participants with household budget, understanding their income, housing options, completing housing application, landlord outreach and housing search workshops, working with families to remove barriers to self-sufficiency, and connecting families to applicable and relevant community resources.

In Fiscal Year 2024-2025, the FHF program continued running at full capacity, served thirty-nine (39) families receiving case management services and employment services/employment connections.

FHF complements the seasonal Empire Cold Weather Shelter by offering continuous availability throughout the year, prioritizing families with longer-term unsheltered status or those nearing exhaustion of temporary shelter nights. Through integrated services and stable housing options, FHF reinforces the County's homelessness prevention and support strategy.

#### Access Center

On February 3, 2020, the Access Center, a "hub location" for multiple homeless programs and the entry way into the shelter system, opened in the City of Modesto. The Access Center serves as a one-stop hub and physical entry point for individuals at-risk of or currently experiencing homelessness to access a wide range of co-located homelessness services including centralized homeless outreach and engagement; housing assessments and navigation; and homelessness support services and referrals. The Access Center also employs a "meet you where you are" strategy that has specialized homeless outreach workers meet individuals on the street and in homeless encampment areas and encourages individuals to connect to services.

The following partners are co-located at the Access Center: Center for Human Services; Community Housing and Shelter Services; Community Impact Central Valley; Disability Resource Agency for Independent Living; Downtown Streets Team Modesto; Golden Valley Health Centers; Salvation Army - Modesto; Stanislaus County (Behavioral Health and Recovery Services and Community Services Agency); Telecare Corporation; and Turning Point Community Programs.

ACES provides low barrier shelter, including accommodations for pets, partners, and personal possessions and provides a trauma informed environment with flexible intake and supportive services.

#### Naomi's House

Naomi's House is a transitional living and shelter program located in the City of Patterson run by Cambridge Academies, a nonprofit founded in 2004 focused on education and shelter assistance.

It provides safe, transitional housing for homeless women and children on the west side of Stanislaus County, including areas like Patterson, Crows Landing, Newman, and nearby communities.

The program uses Cambridge Academies' Enterprise RESTART model - a six to eight (6-8) month residential and workforce development program. It equips residents with life and employment skills such as literacy, goal-setting, conflict resolution, and work readiness, aiming to empower men at Sierra House and women at Naomi's House to pursue employment, education, or training after graduation

#### Sierra House — City of Riverbank's Shelter & Service Program

Sierra House is a residential training and shelter program operated collaboratively by the City of Riverbank and Cambridge Academies. The City acquired the property specifically to offer a structured pathway out of homelessness for vulnerable individuals in the community. The live-in component provides GED and life-skills training alongside case-managed support. Cambridge Academies staff oversee operations.

Adjacent to the main site, their Day-Use Facility offers essential services to Riverbank's unhoused population, including hot showers, clean clothing, and warm meals.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.**

The Stanislaus Urban County continued to actively participate in the CSOC to ensure CDBG PSG and ESG funding aligned with countywide efforts to help low-income individuals and families to avoid becoming homeless. CSOC efforts include improving the program planning for homeless funding utilization throughout Stanislaus County and working with private hospitals to encourage the incorporation of rental assistance and case management into discharge planning. CSOC representatives actively collaborate with the County Sheriff's Office and the Probation Department to identify services available for recently discharged parolees to help prevent homelessness among that population. Non-profits awarded CDBG PSG and ESG funding are required to participate in the CSOC as part of the effort to ensure alignment with the broader community efforts to address homelessness and to allow for education opportunities on new community programs that can add value to existing programs.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

The Stanislaus Urban County partnered with CHSS, CHS, Turning Point Community Programs, and the We Care Program to help homeless individuals and families make a transition to permanent housing and independent living. With the use of ESG grant funds, both the chronically homeless populations and temporarily homeless households were provided the opportunity to be placed into permanent housing. While enrolled in these programs, case managers work with each household to set goals and work on a housing action plan in order to identify and connect with any needed services, such as: Temporary Assistance for Needy Families (TANF), Food Stamps, Veteran's Benefits, future employment opportunities, etc. Throughout the fiscal year, ESG shelter, homeless prevention, and rapid re-housing funds placed thirteen (13) homeless individuals into permanent housing. At the end of the fiscal year, eight (8) of those individuals were stably housed.

Center for Human Services and the We Care Program utilized ESG funds to provide emergency shelter to homeless individuals. Clients that showed progress toward self-sufficiency received extended case management in conjunction with rapid re-housing assistance funds to assist in the placement of job and permanent housing placement.

**[ Space below intentionally left blank. ]**

### **ACTIONS TAKEN TO ADDRESS THE NEEDS OF PUBLIC HOUSING.**

In California, public housing is administered directly through local Public Housing Authorities (PHAs). The Stanislaus Regional Housing Authority (SRHA) continues to play a vital role in addressing housing needs across Stanislaus County, particularly for extremely low and very low-income households. The SRHA is the largest property manager of multi-family and single household public housing units for the lower income population of Stanislaus County. And the SRHA also serves as the administrator of the Housing Authority of the City of Riverbank is committed to providing decent affordable housing to its residents and, in doing so, the SRHA keeps public housing units in favorable conditions so that its residents have a safe and healthy living environment. According to the SRHA 2024 PHA Plan, the SRHA currently operates six hundred forty-seven (647) public housing units and four thousand nine hundred twenty-nine (4,929) housing choice vouchers as the SRHA and a combined total of ninety (90) units (all public housing units) as the Housing Authority of the City of Riverbank. The Housing Authority of the City of Riverbank operates sixty (60) units for seniors and thirty (30) family units for low-income households.

The SHRA operates an overall one thousand eight hundred seventy-two (1,872) housing units that include conventional public housing, affordable rental development, and specialized farm labor housing.

As of FY 2024, the housing authority's portfolio includes:

- Six hundred forty-seven (647) public housing units under the Asset Management Program (AMP), located throughout the cities of Modesto, Turlock, Ceres, Oakdale, Patterson, Newman, Hughson, and Westley.
- Five hundred eighty (580) farm labor and migrant worker housing units, providing safe and affordable seasonal housing in rural communities such as Empire, Westley, Patterson, and Ceres.
- Five hundred fifty (550) affordable housing units managed independently or in partnership with nonprofit developers, that serve low-income individuals and families, some of which are financed through USDA or other state/federal programs.

These units are managed and maintained by SRHA to HUD standards and contribute to the County's broader affordable housing inventory. The Stanislaus HOME Consortium coordinates closely with SRHA to align planning, voucher administration, and other programs in support of shared housing goals.

Of four thousand nine hundred twenty-nine (4,929) vouchers in Stanislaus County, two hundred twelve (212) vouchers are specifically for homeless veterans (Veterans Affairs Supportive Housing [VASH] vouchers), two hundred seventy (270) vouchers are specifically for reunifying families that are facing homelessness or living in substandard housing with children removed from the home, three hundred eighty (380) are project-based vouchers, and eleven (11) are project-based vouchers for a senior complex in the City of Patterson.

During the fiscal year, SRHA's public housing stock remained a critical component of the affordable housing landscape, particularly as the demand for deeply affordable units outpaced supply across Stanislaus County. The Stanislaus HOME Consortium continues to support regional collaboration and strategic planning to preserve and expand housing opportunities for vulnerable households. The SRHA

and the Stanislaus HOME Consortium have a strong relationship and continue to work together towards furthering decent, safe, and affordable housing throughout the community.

**ACTIONS TAKEN TO ENCOURAGE PUBLIC HOUSING RESIDENTS TO BECOME MORE INVOLVED IN MANAGEMENT AND PARTICIPATE IN HOMEOWNERSHIP.**

SRHA has a Resident Advisory Board (RAB) which is comprised of PHA and Voucher program participants. Any time there are substantial policy changes (such as prioritization of the wait list, program termination changes, or areas where there is flexibility in establishing program guidelines), this board must be notified and given an opportunity to respond by either supporting and/or rejecting policy changes. The RAB's determination then goes to the Housing Authority Board of Commissioners (BOC) for consideration of whether to support or reject. The SRHA is required to have program participants sit on their BOC per regulations.

**ACTIONS TAKEN TO PROVIDE ASSISTANCE TO TROUBLED PHAS.**

There are no PHA's operating within the Stanislaus HOME Consortium area that are troubled and/or that have requested assistance.

**[ Space below intentionally left blank. ]**

**ACTIONS TAKEN TO REMOVE OR AMELIORATE THE NEGATIVE EFFECTS OF PUBLIC POLICIES THAT SERVE AS BARRIERS TO AFFORDABLE HOUSING SUCH AS LAND USE CONTROLS, TAX POLICIES AFFECTING LAND, ZONING ORDINANCES, BUILDING CODES, FEES AND CHARGES, GROWTH LIMITATIONS, AND POLICIES AFFECTING THE RETURN ON RESIDENTIAL INVESTMENT. 91.220 (J); 91.320 (I)**

The Con Plan identifies the following public policies as having the potential to negatively affect affordable housing and residential investment: shortage of affordable housing funding, climate change, environmental protection, growth management, planning and development fees, and prevailing wages. To address the potential negative effects of these policies, the members of the Stanislaus HOME Consortium strive to consistently review all potential barriers to affordable housing that are within their authority to address (local development standards and development review procedures); to continue to pursue and utilize available funding for mortgage assistance and housing rehabilitation; and to continue to work with, and partner with, housing developers, from the nonprofit and for-profit sectors, to promote the development of affordable housing and special-needs housing.

During the fiscal year, Stanislaus County continued to take steps to address barriers to affordable housing, even though no new construction was completed using CDBG or HOME funds. The Stanislaus HOME Consortium prioritized long-term planning and policy work, including efforts to rezone land in key areas to facilitate the development of affordable housing. These zoning changes are aimed at increasing the availability of multifamily and mixed-use sites, reducing regulatory constraints, and aligning with the County's Housing Element goals. These actions lay the groundwork for future affordable housing projects by improving the feasibility of development and attracting affordable housing developers.

The members of the Stanislaus HOME Consortium continued to take steps to program various state funding sources aimed at increasing the production of housing. Funding sources include the SB 2 Planning Grant and Permanent Local Housing Allocation (PLHA) is an ongoing state funding source that is based on the Stanislaus Urban County's 2017 CDBG entitlement allocation. As such, the funding is targeted for use in the unincorporated areas of Stanislaus County along with cities of: Ceres, Hughson, Newman, Oakdale, Patterson, and Waterford. The City of Riverbank joined the Stanislaus Urban County in Fiscal Year 2020-2021 and, as such, is eligible for PLHA funding directly from the state. The City of Turlock, although a member of the HOME Consortium also receives its own PLHA allocation from the state. PLHA funding provides for the: acquisition/development of permanent supportive housing, development/preservation of ADUs, fiscal incentives, and multi-family rental housing.

**ACTIONS TAKEN TO ADDRESS OBSTACLES TO MEETING UNDERSERVED NEEDS. 91.220(K); 91.320(J)**

The Urban County continuously tries to identify community needs through community and program engagement. Applications for CDBG Public Service Grant (CDBG PSG) and ESG grants are reviewed and scored based on defined criteria that emphasize: collaboration, prevention focused services, and innovative methods to providing public services. The grant review panel for both CDBG PSG and ESG funding is comprised of one representative from each for Urban County members and a representative from the CoC to ensure needs being addressed are reflective of the entire Urban County area and align with efforts being taken by other agencies throughout Stanislaus County.

A total of three hundred twenty five thousand dollars (\$325,000) in CDBG-PSG funds were allocated based on a competitive grant process to which public service providers had the opportunity to apply for grants up to thirty-five thousand dollars (\$35,000) and up to fifty percent (50%) of the CDBG public services allocation for prioritization funding for substance abuse-treatment programs. A total of eight (8) grants were awarded to non-profits to provide services such as: food assistance, emergency shelter, counseling, utility assistance, and tutoring to areas and individuals. CDBG funding in the amount of twenty-five thousand dollars (\$25,000) for fair housing services was awarded to Project Sentinel. Over nineteen hundred (1,900) individuals received assistance through the CDBG-PSG funded service providers throughout Fiscal Year 2024-2025.

For Fiscal Year 2024-2025, a total of one hundred eighty-nine thousand eight hundred thirty-four dollars (\$189,834) in ESG funds were allocated based a competitive grant process. A total of forty-five percent (45%) of the grants awarded went towards emergency shelter programs, forty percent (40%) went toward homeless prevention and rapid re-housing program, seven and a half percent (7.5%) went towards funding data entry for the Homeless Management and Information System (HMIS), and the remaining seven and a half percent (7.5%) went to Stanislaus County for the administration of the ESG program. Approximately four hundred three (403) homeless persons, or persons at-risk of becoming homeless, were assisted with overnight shelter, emergency food, and housing stability assistance throughout the fiscal year.

In addition to the allocation of Fiscal Year 2024-2025 CDBG and ESG entitlement funding, the remaining Fiscal Year 2023-2024 ESG entitlement funding contracts along with CDBG CV contracted funding were used to provide a variety of services aimed at meeting the needs of the community. Section CR-15 – Resources and Investments states the amounts expended by all funding sources.

#### **ACTIONS TAKEN TO REDUCE LEAD-BASED PAINT HAZARDS. 91.220(K); 91.320(J)**

The Health Services Agency (HSA) of Stanislaus County is the lead agency for the identification, documentation, and prevention of lead poisoning in Stanislaus County. HSA works with referrals from schools and other agencies to test for lead-based paint hazards. During the fiscal year, approximately twelve (12) homes were tested and three (3) were found to have contamination. If a housing unit is found to have lead-based paint, the abatement process and consequences of living in a home that is contaminated, is explained to the residents. The Urban County members provide lead-based paint information to all residents that participate in the down payment assistance and/or housing rehabilitation programs. If, during a housing rehabilitation, a housing unit is found to have any lead-based paint issues, information on the dangers of lead-based paint is provided to the property owner and lead abatement is conducted as part of the rehabilitation work. Every effort is made to provide a safe and healthy housing opportunity for clients participating in Stanislaus Urban County funded housing assistance programs. During the fiscal year , no activities necessitating the need to test for lead-based paint were undertaken.

#### **ACTIONS TAKEN TO REDUCE THE NUMBER OF POVERTY-LEVEL FAMILIES. 91.220(K); 91.320(J)**

To reduce the number of persons living under the poverty level, the Urban County has continued its partnership with other local entitlement jurisdictions, agencies, and the CSOC, to provide services and resources to families in need.

The Stanislaus Urban County supported local nonprofit agencies through three hundred twenty-five thousand dollars (\$325,000) in CDBG PSG and one hundred eighty-nine thousand eight hundred thirty-

four dollars (\$189,834) in ESG funds, which provided services aimed at stabilizing low-income households. Funded programs included emergency shelter operations, homeless prevention services, housing navigation, and case management. These services support individuals and families in obtaining or maintaining stable housing, reducing the likelihood of continued or recurring poverty.

#### **ACTIONS TAKEN TO DEVELOP INSTITUTIONAL STRUCTURE. 91.220(K); 91.320(J)**

The strategies identified in the Con Plan for overcoming gaps in the institutional structure and service delivery system for carrying out a strategy to address priority needs are to: 1) continue to work collaboratively with service and shelter providers to identify and address gaps in the service delivery system; and 2) continue to invest time and resources to strengthen the entire CoC system and not one particular agency or organization.

The Stanislaus Urban County continued its active involvement in the Stanislaus Community System of Care (CSOC) to enhance collaboration with homeless service providers, local jurisdictions, and the Housing Authority. Staff participated in regular meetings, coordinated funding strategies, and provided technical assistance to local partners to strengthen program delivery and compliance.

During CDBG PSG and ESG program monitoring, agency-to-agency referrals are reviewed to verify that participants receiving services do not experience gaps in services as they strive to reach their goal of independence from the need of public services.

The CoC, locally recognized as the Stanislaus Community System of Care (CSOC), is a dedicated network of service providers, consumers, and government agencies that work collaboratively to identify where gaps exist and how they can be best addressed. The CSOC continues working to improve coordination among service providers and to further enhance the Coordinated Entry System (CES). The main goal of the CES is to assist service providers with tracking and responding to the needs of individuals that seek services. To date, only a limited number of service providers utilize the HMIS coordinated entry system component to track clients and report program accomplishments.

Building the capacity of non-profits continues to be an important issue for the Urban County and other entitlement jurisdictions (the cities of Modesto and Turlock). The Urban County has partnered with both the cities of Modesto and Turlock to provide technical assistance and trainings to local service providers in the areas of client screening, HMIS data collection, and basic case management requirements.

#### **ACTIONS TAKEN TO ENHANCE COORDINATION BETWEEN PUBLIC AND PRIVATE HOUSING AND SOCIAL SERVICE AGENCIES. 91.220(K); 91.320(J)**

Stanislaus County maintained coordination with the SRHA and other housing and service providers to support the planning of future affordable housing developments. The Stanislaus HOME Consortium County also collaborated with local jurisdictions and community-based organizations on fair housing outreach, housing referrals, and funding alignment.

The Stanislaus HOME Consortium recognizes it cannot work alone in achieving the housing goals outlined in the Con Plan. Therefore, the Stanislaus HOME Consortium participates with and coordinates with the following collaboratives and public housing agency in order to better serve and coordinate the needs of the community:

### **Turlock Community Collaborative**

This collaborative was formed to deal with homeless issues facing the Turlock community. The group is comprised of concerned community members, faith-based groups, and government agencies working together to deal with issues concerning the homeless and the community. County staff regularly attends and presents to the group on CDBG, ESG and HOME programs throughout the year.

### **Stanislaus Community System of Care (CSOC)**

The CSOC, the locally recognized CoC, is a collaborative comprised of local government agencies, shelter providers, housing and housing counseling services providers, faith-based organizations, and over a dozen housing and supportive service providers. The Stanislaus County's Community Services Agency (CSA), serving as the Collaborative Applicant (CA), assists the CSOC to coordinate with service providers, law enforcement, and community members to conduct the County's annual Homeless Point in Time (PIT) Count. The Stanislaus HOME Consortium members participate in efforts to improving the functionality of the CSOC's HMIS, including the CES component, and to update the CES policies and procedures. Fiscal year efforts have also included working with the CSOC's CA on the operations of the HMIS in order to meet HUD's mandate that all ESG program participants are part of and actively entering pertinent universal data elements into the HMIS.

### **Stanislaus Regional Housing Authority (SRHA)**

The SRHA and the Stanislaus HOME Consortium have a strong relationship and continue to work towards furthering decent, safe, and affordable housing throughout the County. The SRHA serves as the administrator for housing rehabilitation and Emergency Sewer Lateral Connection programs for the County. The SRHA also serves on several housing and community development related committees alongside HOME Consortium members.

### **IDENTIFY ACTIONS TAKEN TO OVERCOME THE EFFECTS OF ANY IMPEDIMENTS IDENTIFIED IN THE JURISDICTION'S ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING CHOICE. 91.520(A)**

Project Sentinel, as the Urban County's fair housing service provider, responded to a total of three hundred nineteen (319) calls for landlord/tenant mediation and fair housing information within the Urban County area. A total seven (7) of fair housing cases and fifteen (15) tenant/landlord cases were handled by the agency during the fiscal year. Additionally, Project Sentinel fielded one hundred ninety-six (196) fair housing information and service referral calls, benefiting seven hundred eighteen (718) residents. The U.S. Department of Justice, through their Fair Housing Testing Program, contracts out with fair housing agencies to conduct testing separate from their service agreements with any jurisdiction. Project Sentinel conducted no fair housing tests within the Urban County in Fiscal Year 2024-2025.

### **Additional Actions Taken to Address Obstacles to Meeting Underserved Needs**

Some non-profits and community organizations may not be familiar with the HUD funding grant process, the Urban County, working collaboratively with agencies familiar with HUD processes, continued to share program and funding information with service providers and grassroots organizations throughout the community to better meet the needs of the community.

An annual Notice of Funding Availability (NOFA) was announced for the release of CDBG and ESG funds for the Public Service Grant cycle. The NOFA included an announcement of a mandatory Grant Technical Workshop and a timeline for the grant cycle. The NOFA was advertised in the local newspaper, The Modesto Bee, in English and Spanish. An e-mail was sent out to all past and current grantees and applicants that had applied in the last five (5) years. County staff also announced the NOFA at the local CSOC meeting, distributed a reminder, and e-mailed the local CSOC agencies a NOFA announcement. County staff coordinated with Stanislaus Urban County members to distribute the NOFA announcement to service providers working in their respective cities. It is with funds awarded through the NOFA process that the Stanislaus Urban County is able to provide much needed services to communities.

The annual Grant Technical Workshop provides an opportunity for questions and answers. In addition to the workshop, County staff are available via phone, in person, and by e-mail to answer questions throughout the grant application process. Once grant awards are announced, the County also requires grantees to attend a Grantee Technical Workshop prior to receiving their agreements. In the workshop, the policies, procedures, program regulations, requirements, and obligations of the grant are explained. All grantees receive the information covered in the workshop via email.

Technical assistance is ongoing to those agencies awarded funding and those agencies interested in competing for future funding. Reference, guidance, and support materials are provided upon request, and staff is available to addressing inquiries in person, by phone/virtually, or via email. The Stanislaus Urban County is constantly looking for ways to expand service provider capacity and to encourage public and private partnerships and joint ventures between non-profit and for-profit housing developers.

**[ Space below intentionally left blank. ]**

**EVALUATE THE JURISDICTION'S PROGRESS IN MEETING ITS SPECIFIC OBJECTIVES FOR REDUCING AND ENDING HOMELESSNESS THROUGH:**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements.**

During the program year, the Stanislaus Urban County continued to implement its monitoring plan to ensure compliance with applicable HUD regulations for CDBG and ESG programs. Monitoring was conducted using a combination of desk reviews, on-site visits (when feasible), and virtual monitoring protocols. Funding and service agreements set clear performance measures, reporting procedures, timeliness, and budgets against which goals are measured. County staff regularly monitors compliance with contracting requirements and performance goals through the implementation and review of quarterly performance reports, reimbursement requests and desk and on-site monitoring. When necessary, County staff provided technical assistance to improve reporting and performance.

ESG financial and program files are reviewed to ensure compliance with 24 CFR Part 576, particularly around participant eligibility, habitability standards, and allowable costs. County staff reviews quarterly ESG statistical tables, narratives, HMIS activity reports, RFF forms and budget printouts, which identify the total funds used/requested by each grantee during that reporting period. ESG funded agencies are provided with ongoing HMIS system training. As part of the ESG monitoring process, only fifty percent (50%) of the costs related to the project are reimbursed, as the remainder of the costs is paid by non-ESG match funding sources (i.e., local unrestricted donations). In this manner, the subrecipient in turn ensures that dollar-to-dollar matching requirements are satisfied by paying the remainder of the expenses from non-ESG sources.

For non-profits awarded CDBG-PSG and ESG funds, County staff conducts an initial technical workshop to provide a comprehensive overview of the quarterly reporting, request for funds, and monitoring processes and requirements. County staff is available to awarded agencies during regular business hours to address technical concerns and questions as they arise. Non-profits that reach a certain performance threshold become eligible for bi-annual monitoring reviews in place of the quarterly reviews.

The County uses a risk-based approach to prioritize monitoring, giving special attention to new subrecipients, high-dollar contracts, or organizations with past performance issues. Subrecipients are evaluated based on factors such as program size, type of activity, complexity, and prior audit findings

**CITIZEN PARTICIPATION PLAN. 91.105(D); 91.115(D)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

The following public comment period, community meeting and public hearing information provided in italics is for public notification purposes and will not be included as part of the final CAPER submitted to HUD:

Public comment period: August 8, 2025 to August 27 2025. Written public comments must be submitted to the Stanislaus County Planning and Community Development Department by 4:30 p.m. on Wednesday, August 27, 2025. Written public comments can be mailed to 1010 10<sup>th</sup> Street, Suite # 3400, Modesto, CA 95354 or emailed to [CommunityDevelopment@stancounty.com](mailto:CommunityDevelopment@stancounty.com).

As part of the CAPER process the following community meetings are being held:

Additional community meetings for the Cities and County will be posted online at:  
<https://www.stancounty.com/planning/cdbg/notices.shtm>

A Notice of Public Hearing and Document Availability was released in accordance with the Stanislaus HOME Consortium and Urban County's Citizen Participation Plan advising residents of the availability of the draft CAPER for a fifteen (15) day public review period. The notice was published in both English and Spanish on August 8, 2025 in The Modesto Bee, defining the CAPER review process and how persons, agencies, and interested groups may participate; as well as instructions on how to submit written comments. As part of the public review process, notice of the Draft CAPER was also distributed electronically to the CSOC and to persons registered through the County Planning and Community Development Department's Community Development StanAware electronic notification system. The Draft CAPER was also made available for public review via the County's Planning and Community Development Department website and copies of the Draft CAPER were available for review at the Planning Departments of all the Stanislaus HOME Consortium members.

A public hearing will be held in accordance with the County's Citizen Participation Plan on September 16, 2025, at 6:30 p.m., at Tenth Street Place, the County Administration Building, 1010 10<sup>th</sup> Street, Board Chambers, Modesto, CA 95354. Notice of the public hearing will be sent out through the County's StanAware electronic notification system, the CSOC list serve, and will be made available by email to community members that had expressed interest in the CAPER.

**[ Space below intentionally left blank. ]**

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

No changes in the Urban County's program objectives occurred.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No.

[ Space below intentionally left blank. ]

**Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations. Please list those projects that should have been inspected on-site this program year based upon the schedule in 24 CFR 92.504 (d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.**

There are no inspection results to report. The Stanislaus HOME Consortium has not yet funded any projects requiring inspections.

**An assessment of the jurisdiction's affirmative marketing actions for HOME units. 91.520 (e ) and 92.351 (a )**

There are no marketing actions to assess. No home funds have been used for activities requiring marketing actions.

**Data on the amount and use of program income for projects, including the number of projects and owner and tenant characteristics?**

Not applicable. No program income has been generated by HOME funds to date.

**Other actions taken to foster and maintain affordable housing. 24 CFR 91.220 (k )**

The County advanced efforts to support affordable housing development through rezoning initiatives and updates to planning documents. Stanislaus HOME consortium members continued with efforts to certify and/or implement their respective Housing Elements which include policies that aim to reduce regulatory barriers and encourage the construction of affordable housing units in priority areas, including unincorporated communities and areas of high need.

Stanislaus HOME Consortium continued partnerships with the Stanislaus Regional Housing Authority and local nonprofit developers to identify sites for new affordable housing projects and preserve existing affordable units. Coordination included discussions around leveraging federal and state funds, including HOME, ESG, and PLHA, to support site acquisition, rehabilitation, and new construction.

**9. PROJECT OUTCOMES DATA MEASURED UNDER THE PERFORMANCE STANDARDS DEVELOPED IN CONSULTATION WITH THE COC(S)**

The County regularly updates and utilizes a CDBG and ESG program Desk Guide for subrecipients. This guide was developed and is updated in consultation with the local CoC. The Desk Guide covers both federal and state ESG funds administered by Stanislaus County. Under the CDBG and ESG program, County staff track the progress of individual subrecipients in fulfilling goals and objectives set forth in the Con Plan in order to ensure that programs remain on task. Tracked data is reviewed and entered into the IDIS system on a semiannual basis. If tracked data falls short of the goals and objectives set forth, appropriate adjustments will be made, and notification sent to the respective subrecipients to make them aware of milestones and timeliness needing to be met in order to ensure continued receipt of funding.

The coordinated monitoring process has been established to verify and confirm that grant funds have been used in an eligible and appropriate manner for each and every program funded with CDBG and ESG funds.

County staff reviews quarterly ESG statistical tables, narratives, HMIS activity reports, Request for Funds forms, and budget printouts, which identify the total funds used/requested by each subrecipient during that reporting period. County staff also verifies and cross-references the information on the quarterly budget activity reports. Monitoring visits are also scheduled quarterly by County staff for each grantee to ensure appropriate expenditure of funds. As part of the ESG monitoring process, invoices and accompanying receipts are reviewed for reimbursement eligibility. Once eligibility is confirmed, fifty percent (50%) of the costs related to the project are reimbursed, as the remainder of the costs are paid by a non-ESG match funding sources (i.e., local unrestricted donations). In this manner, the subrecipient in turn commits their dollar-to-dollar match by paying the remainder of the expenses from non-Federal sources.
