

Cell Tower Modifications

These figures are for **ESTIMATING** purposes only. All fees are subject to change.

Building Fees estimated for cell tower modifications that **do not** include additional batteries, generators, structures, antennas or adding height to the tower.

How to use the table below to calculate fees

- 1) Locate the valuation of the project on the table
 - a) The 1st amount listed below your valuation in *italics* is the fee that will be due upon initially submitting the project to Stanislaus County.
 - b) The 2nd amount listed below your valuation in **bold** is the estimated total amount that will be paid for the permit. The total amount includes the submittal fee and the estimated remaining permit fees due at time of issuance.

Project Valuation	\$15,000	\$17,500	\$20,000	\$22,500	\$25,000	\$27,500	\$30,000	\$32,500	\$35,000	\$40,000
