## WEST MODESTO BEVERLY/WAVERLY NEIGHBORHOOD COUNTY AREA 21 SEWER INFRASTRUCTURE PROJECT

### About the Project

The Beverly/Waverly Neighborhood is located in the West Modesto area, and it currently lacks sanitary sewer infrastructure that the surrounding cities have. This project consists of installing gravity sewer pipe, sewer service laterals for future connection, and a pavement restoration in the area.

**Location:**  
 Beverly/Waverly  
 Neighborhood in West  
 Modesto

Project No: 200015

### Project Benefits

- Public Health
- Traffic Safety

### What to Expect During Construction

- Traffic Delays
- Noise

### Hours

Monday - Friday  
 7:00 am - 5:00 pm

Questions?  
 (209) 525-4130

### Schedule
