Project: *Gilbert Road Bridge over Turlock Irrigation District Ceres Main Canal*
Project No.: *1102-009454*
Funding: *HBP (Federal Highway Bridge program)
HUTA (Highway Users Tax)*
Contractor: *R. A. Nemetz Construction Co.*
Contract: *\$1,263,430.00*

Estimated Start Date: *November 2, 2020*

Estimated Completion Date: *April 4, 2021*

Project Description:

The project proposes to replace the "functionally obsolete" bridge with a double box culvert to accommodate local traffic and various sized pieces of farming equipment for the surrounding orchards. The proposed project improvements will bring the intersection of Gilbert Road and Hatch Road up to current County and American Association of State Highway and Transportation Officials (AASHTO) standards. This includes providing 12-foot travel lanes and 4-foot paved shoulders in each direction across the bridge.

Project Benefits:
New Bridge

What to Expect During Construction:
Road Closure at Bridge, Traffic Delay, Noise
