Eligibility

Eligibility

Stanislaus County's Early Retiree Medical Plan is only available to StanCERA participants, and their qualifying dependents, who are not eligible for Medicare or are not enrolled in any other medical coverage. Early retirees and their dependents are eligible under the following requirements:

- You must retain continued medical coverage in order to be eligible to enroll. Proof of coverage will be required. If there is a break in your coverage, you will not be eligible to re-enroll in the Early Retiree Medical coverage in the future.
- You may not voluntarily drop your outside medical coverage to enroll in Stanislaus County's Early Retiree Medical Plan, outside of Open Enrollment. This includes the health insurance exchange or Covered California.
- Enrollment will only be allowed at the time of your retirement or COBRA expiration, during the annual Open Enrollment period or if you have a qualifying life event (see [page 4](#)).
- You have the option of two different plans. There is only one network available based on where you live.

Dependent Eligibility Verification

You must retire and be covered under Stanislaus County's Early Retiree Medical Plan before you turn 65 in order for your dependents to be covered under this plan. You must also submit recorded/certified documentation verifying your dependent's eligibility within 60 days of enrollment.

Your dependents can include*:

- Your legal spouse
- Your registered domestic partner (RDP), as defined by the State of California
- Your natural children, stepchildren, RDP's children, foster and/or adopted children up to age 26, regardless of marriage or student status

Your dependents will NOT be eligible for your coverage if the following occurs:

- If you voluntarily terminate coverage prior to Medicare eligibility
- If you do not elect coverage for them at the time of retirement or COBRA expiration unless they experience a qualifying life event while you are still enrolled in the plan
- If your dependents are not enrolled in the plan at the time of your passing, they will not be eligible for coverage

*Dependents who exceed the age limit, may be eligible if they are unmarried and primarily dependent upon you or your spouse/RDP for support and maintenance. Please refer to the Summary Plan Description for complete information.

When Your Medical Benefits Terminate

Your medical coverage will terminate:

- When a written request via letter or email is received prior to the first of the month.
- If payments are not received within 30 days of the due date. When your payment is late, you may experience an interruption in service, including termination after 30 days. Coverage will not be eligible for reinstatement.
- Automatically when you reach age 65 (for you and/or your dependents).
- On January 1 following an annual active Open Enrollment period, if a new enrollment form is not submitted by the posted due date.

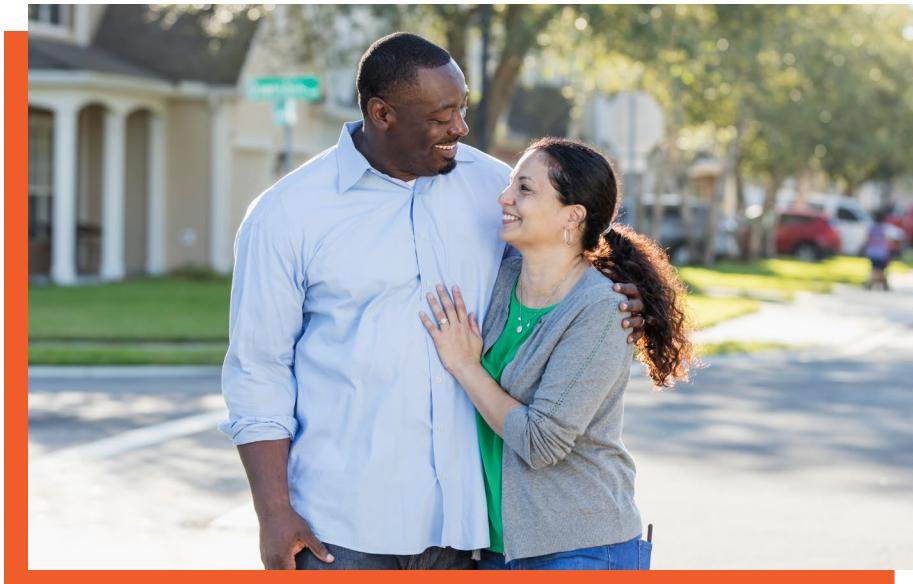

Enrollment

How to Enroll

Each year, the County has Open Enrollment in order to allow you to enroll in medical coverage for you and your family. The County's Open Enrollment period occurs annually in October and information with instructions will be mailed to active participants. You must complete an Early Retiree Benefit Enrollment Form and email it to earlyretirees@stancounty.com, along with any dependent eligibility verification.

When Coverage Begins

The new plan year starts on January 1, which is when your coverage will go into effect. If you fail to enroll on time, you will NOT have benefits coverage and you must wait until the next Open Enrollment to enroll, unless you have a qualifying life event.

Making Election Changes

Due to Internal Revenue Service (IRS) regulations, you can change your benefit elections only during annual Open Enrollment or if you have a qualifying life event.

Open Enrollment

Open Enrollment occurs once per year and is your opportunity to review your medical options for the next plan year, effective January 1.

Qualifying Life Events

Benefit election changes outside of retirement, COBRA expiration or Open Enrollment may only be made if you experience a qualifying life event. Following are examples:

- Change in legal marital status, such as marriage, divorce or annulment, or dissolution of a registered domestic partnership
- Change in number of dependents, such as birth or adoption of a child, change in child custody, child reaching age 26, etc.
- Change in employment status, including the start/termination of employment for you, your spouse or dependent child
- Loss or gain of coverage under your spouse's/RDP's plan
- Change in coverage election made by your spouse/RDP during his/her employer's Open Enrollment period
- You or your spouse turn 65 and/or enroll in Medicare

You are responsible for notifying Employee Benefits and making your election changes within 60 days of the qualifying life event.

Changes become effective on the first of the month following the date of the qualifying life event, except when the change is due to the birth or adoption of a child. In these cases, coverage becomes effective on the date of the event.

Medical Plans

The County's medical plans are designed to help maintain wellness and protect you and your family from major financial hardship in the event of illness or injury. All County medical plans comply with the standards provided by the Patient Protection and Affordable Care Act (federal health care reform). Follow these steps for selecting the medical plan that best meets your needs.

STEP 1: Understanding Your Location and Network Providers

Your access to in-network medical health care providers and facilities will depend on where you live.

- If you live in the local service area**, you will be automatically enrolled in the Health Partners of Northern California (HPNC) network. (For more information, refer to the map on [page 6](#).)
- If you live outside the local service area**, you will be automatically enrolled in the UnitedHealthcare (UHC) network and will only have access to those health providers and facilities.

Both health networks offer a comprehensive list of providers and access to local, regional and national medical centers that offer the best possible care for both routine and complex medical care issues. The table provides some general information on each network.

To search for providers in the HPNC network, visit www.healthpartnersnca.org. To search for providers in the UHC network, visit www.myUHC.com.

*If you live in the local service area and have a covered dependent that lives out of the area (or if you and/or an eligible participant are traveling), the National Out of Area Network (NOoAN) is available. These claims are paid at the in-network level. Please call for pre-authorization of any service in the NOoAN.

Note: In the event of an emergency, we encourage you to seek immediate care at the nearest facility. Services will be paid at the in-network level for a true emergency.

Medical Plans

STEP 2: Select Your Medical Plan

The County offers you a choice between two different medical plans that provide comprehensive medical and prescription drug coverage. The plans also offer many resources and tools to help you maintain a healthy lifestyle. Following is a brief description of each plan.

High Deductible Health Plan (HDHP) with Health Savings Account (HSA)

The HDHP HSA plan comes at a lower premium cost and includes an annual deductible. Once you reach your annual deductible, you will pay for medical expenses on a fixed copayment schedule. Preventive care services are provided at no cost under the County's health plans. The plan comes with a health savings account (HSA) through Optum Bank. See [page 10](#) for more information about the HSA.

Here's how the HDHP HSA plan works:

- **Annual Deductible:** You must meet the entire annual deductible before the plan starts to pay for medical and prescription drug expenses.
- **Preventive Care:** Routine preventive care services, such as annual physicals, are covered at 100% and the deductible does not apply.
- **Copays:** Once you meet the plan's annual deductible, you will pay a fixed dollar amount (copay), which is the amount you will pay out-of-pocket for each office visit, service or prescription drug.
- **Out-of-Pocket Maximum:** Once you reach the out-of-pocket maximum, the plan will pay 100 percent of all eligible covered services and prescription drugs for the rest of the plan year.
- **Health Savings Account:** You may use your HSA funds to pay for qualified health care expenses, including your deductible and copays.

Exclusive Provider Organization Plan (EPO)

The EPO plan initially offers a higher level of benefits than the HDHP with HSA; however, the premiums are higher as well. There is no annual deductible. All benefits are based on a fixed dollar amount (copay), which is the amount you will pay out-of-pocket for each office visit, service or prescription drug. The EPO plan functions like a traditional HMO plan and may offer additional convenience for employees who are willing to pay a higher monthly premium or who are otherwise unable to participate in the HDHP with HSA option due to having other coverage including Medicare.

It is important to remember, medical providers who are not in-network or contracted with Health Partners of Northern California or UnitedHealthcare will not be covered under the EPO plan.

Benefit Costs

The amount will depend upon the plan you select and if you choose to cover eligible family members. [Click here](#) to view your benefit costs.

Medical Plan Highlights

Following is an overview of the medical plan benefits. For more information, including the out-of-network HDHP benefits, refer to the [Summary Plan Documents on the Employee Benefits website](#).

Copay amounts shown in the above chart represent what the member is responsible for paying.

*Benefits with an asterisk (*) require that the deductible be met before the plan begins to pay.

Telemedicine & Health Bridges

Telemedicine - Amwell

To provide more convenient and timely access to medical care for County plan participants, the County is happy to offer Amwell, our telemedicine partner. This benefit is available for all HPNC and UHC health plan participants.

The County's telemedicine services allow you to be seen by board-certified practitioners, 24/7/365, from anywhere, using a smartphone, tablet or standard telephone. Telemedicine physicians can treat a variety of less-complex conditions such as colds, flu, allergies and infections as well as prescribe medications for the treatment of these conditions (limitations apply). Additional services include Behavioral Health (therapy and psychiatry), nutritional counseling and smoking cessation.

The cost varies by services obtained but is comparable to an in-office visit. Charges for telemedicine visits (and related prescriptions) will be applied to HDHP members' deductibles. Pharmacy charges will be treated as if you went to your usual physician.

Practice	Member Cost-Share	
	EPO Medical Plan	HDHP Medical Plan
Service Key	SCEPO	SCHDP
Urgent Care	\$20	\$64
Therapy (Master's-level)	\$20	\$90

Health Bridges of Northern California

Health Bridges of Northern California's primary mission is to provide health plan members a health BRIDGE to better health. Staff assists members navigate the health care maze with compassion and clarity so they can return to a place of better health. They are ready to assist you with:

- Chronic care management services for members experiencing chronic conditions such as diabetes, high blood pressure and high cholesterol
- Hospital post discharge care management to assist members in understanding discharge orders and coordinate follow-up care visits
- Nurse care managers to answer questions about diagnosis and treatment plans
- Member liaison services to:
 - Secure member appointments with in-network providers
 - Assist with finding specialty providers and obtain specialty referrals
 - Obtain prior authorizations for surgeries and durable medical equipment
 - Arrange second opinion or transfer to a level 1 facility, such as UCSF

For more information, visit www.healthbridgesfnorcal.com or call 209-996-1296.

Health Savings Account

When you enroll in the HDHP medical plan, you get a health savings account (HSA) through Optum Bank. An HSA is a personal savings account that allows you to save and pay for qualified health care expenses with federally tax-free dollars—now or in the future.

How Your HSA is Funded

The HDHP medical plan offered by the County is considered a qualified plan and may be offered alongside an HSA. An HSA is a tax-favored savings account that works in conjunction with the HDHP and helps you save for health care expenses. If you retire from the County mid-year and you were already enrolled in an HDHP, you will keep the HSA the County had set up for you. If you have not previously enrolled in the HDHP, you may open an individual HSA. The County does not contribute funds into an HSA for Early Retirees.

The maximum you can contribute to an HSA in 2022 is:

2022 HSA Contribution Limit	
Coverage Level	IRS Limit
Employee Only	\$3,650
Employee + 1 or More	\$7,300
Catch-up (age 55+)	\$1,000

Using Your HSA Funds

You may use your HSA funds to pay for qualified health care expenses for yourself and your IRS tax dependents, even if they are not enrolled in the HDHP medical plan.

- Optum Bank will provide you with a MasterCard debit card to use at the point-of-sale or ATM
- Pay bills online at www.optumbank.com

Qualified Health Care Expenses

Eligible expenses include, but are not limited to:

- Medical care, prescriptions, dental and vision care (including deductibles, coinsurance and copays)
- COBRA premiums
- Health insurance premiums while unemployed
- Long-term care insurance
- Medicare insurance premiums including A, B, C, D and Medicare Advantage products (not Medigap)

[Click here](#) for a list of qualified health care expenses.

You may also use your HSA funds for non-qualified expenses, but you will be required to pay income tax and a 20% tax penalty. (The 20% penalty doesn't apply if you become disabled or after you've reached age 65.)

HSA Eligibility Rules

You must meet all of the following criteria to open and contribute to an HSA:

- Enrolled in the HDHP medical plan and not covered by any other medical plan
- Not enrolled in a health care FSA
- Not enrolled in Medicare, TRICARE or Medicaid
- Not claimed as a dependent on another's tax return

To learn more about the HSA, visit the [Employee Benefits website](#).

EARLY RETIREE MEDICAL PREMIUM PAYMENTS

You can self-pay directly to the County via check or money order only. Make the payments out to Stanislaus County.

You can set up a monthly auto payment arrangement through your banking institution.

Non-payment of premiums is treated as voluntary termination from the plan. If you are terminated from the plan, you will not be able to enroll again in the future.

You may have your premium deducted from your retirement check from StanCERA, as long as you receive enough pay to cover the entire monthly premium.
