

## EXHIBIT B

### Vendor (Purchase of Goods)

Vendor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with products and materials supplied to the County. The cost of such insurance shall be borne by the Vendor.

#### MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be **at least** as broad as: Insurance Services Office Commercial General Liability coverage (occurrence Form CG 00 01) and include products coverage.

**Minimum Limits of Insurance** Coverage shall be at least as broad as Insurance Services Office form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than \$1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

If the Vendor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the Vendor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

**Application of Excess Liability Coverage:** Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as (“follow form” over) the underlying primary policies, to satisfy the Required Insurance provisions.

#### **Other Insurance Provisions**

The insurance policies are to contain, or be endorsed to contain, the following provisions:

#### **Additional Insured Status**

The County, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Vendor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Vendor’s insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 if a later edition is used).

#### **Primary Coverage**

For any claims related to this contract, the Vendor’s insurance **coverage shall be primary** insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the County, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents or volunteers shall be excess of the Vendor’s insurance and shall not contribute with it.

***Reporting***

Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the County or its officers, officials, employees, agents or volunteers.

***Notice of Cancellation***

Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the County in accordance with policy terms and conditions.

***Acceptability of Insurers***

Insurance is to be placed with California admitted insurers (licensed to do business in California) with a current A.M. Best's rating of no less than A-VII, however, if no California admitted insurance company provides the required insurance, it is acceptable to provide the required insurance through a United States domiciled carrier that meets the required Best's rating and that is listed on the current List of Approved Surplus Line Insurers (LASLI) maintained by the California Department of Insurance.

***Verification of Coverage***

Vendor shall furnish the County with a copy of the original certificates and amendatory endorsements or copies of the applicable policy language providing the insurance coverage required by this clause.

**All certificates and endorsements are to be received and approved by the County before work commences.** However, failure to obtain the required documents prior to the work beginning shall not waive the Vendor's obligation to provide them. The County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

***Waiver of Subrogation***

Vendor hereby grants to County a waiver of any right to subrogation which any insurer of said Vendor may acquire against the County by virtue of the payment of any loss under such insurance. Vendor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.

***Self-Insured Retentions***

Self-insured retentions shall be declared to and approved by the County. The County may require the Vendor to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. Any and all deductibles and SIRs shall be the sole responsibility of Vendor or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. County may deduct from any amounts otherwise due to Vendor to fund the SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. County reserves the right to obtain a copy of any policies and endorsements for verification.

***Special Risks or Circumstances***

County reserves the right to modify these requirements at any time, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

***Insurance Limits***

The limits of insurance described herein shall not limit the liability of the Vendor and Vendor's officers, employees, agents, representatives or subcontractors. Vendor's obligation to defend, indemnify and hold the County its officers, officials, employees, agents and volunteers harmless under the provisions of this paragraph is not limited to or restricted by any requirement in the Agreement for Contractor to procure and maintain a policy of insurance.
